Appendix 4.4 Tentative Works Programme

Construction Activities		No. of Months from Date of Project Commencement
		1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44 45 46 47 48 49 50 51 52
1. Work Fronts 1, 14, 27, 40, 53, 66, 79, 92, 105		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
2. Work Fronts 2, 15, 28, 41, 54, 67, 80, 93, 106		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
3. Work Fronts 3, 16, 29, 42, 55, 68, 81, 94, 107		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
4. Work Fronts 4, 17, 30, 43, 56, 69, 82, 95		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
5. Work Fronts 5, 18, 31, 44, 57, 70, 83, 96		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
6. Work Fronts 6, 19, 32, 45, 58, 71, 84, 97		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
7. Work Fronts 7, 20, 33, 46, 59, 72, 85, 98		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
8. Work Fronts 8, 21, 34, 47, 60, 73, 86, 99		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	

9. Work Fronts 9, 22, 35, 48, 61, 74, 87, 100		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
10. Work Fronts 10, 23, 36, 49, 62, 75, 88, 101		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
11. Work Fronts 11, 24, 37, 50, 63, 76, 89, 102		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
12. Work Fronts 12, 25, 38, 51, 64, 77, 90, 103		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	
13. Work Fronts 13, 26, 39, 52, 65, 78, 91, 104		
A	Site Clearance & Utility Diversion	
B	Road Upgrading Works(Backfill and reinstatement works)	
C	Street Furniture & Soft Landscape Works	
D	ELS Works(Sheet piling and excavation works)	
E	Foundation and Substructure Works(Rebar fixing and Concreting works)	
F	Geotechnical Works(Slope nail works)	
G	Construction of Superstructure Works(Noise Mitigation Works)	

Note:
The above works programme is tentatively scheduled for construction works at each lane of the road alignment. (e.g. Work Fronts 1 refers to sites 1A,1B and 1C(if any) as shown in Figure 2.5a)

Construction activity Groups A, B and C will be conducted at all the works sites
ELS works (Group D) will be conducted at works sites as shown in Figure 2.5a-q.
Either construction activity Group E or Group F will be carried at the works sites of foundation/geotechnical works as shown in Figure 2.5a-q.
Noise mitigation works (Group G) will only be carried out at the works sites of proposed noise barrier as shown in Figure 2.5a-q.
