Re: Land Contamination at Yau Tong Bay Marine Lots

Please accept our apologies for not speaking to you first. We tried to contact you by phone but you were unavailable. Due to the urgency of the project, we have taken the liberty to write to you directly.

We are conducting an Environmental Impact Assessment (EIA) study for the Yau Tong Bay Marine Lots. As required by the Environmental Protection Department (EPD), information pertaining to past activities at these lots are required as part of the vetting process. Of particular interests are illegal or contaminating land uses, but any information you could give us will be useful. Enclosed is a site map showing the locations of the sites and their respective marine lot numbers.

We thank you in anticipation of your help in the matter.

Thank you for your kind attention.

Yours sincerely,

Simeon Cheng Consultant
