					2005/03/06 - 2005/03/03	2005/03/12 - 2005/03/07	2005/04/25 - 2005/03/13	2005/05/01 - 2005/04/26	2005/05/19 - 2005/05/02	2005/06/04 - 2005/05/20	2005/07/02 - 2005/06/05	2005/08/02 - 2005/07/03	2005/08/22 - 2005/08/03	2005/08/24 - 2005/08/23	2005/09/21 - 2005/08/25	2005/09/22 - 2005/09/22	2005/10/06 - 2005/09/23	2005/10/30 - 2005/10/07	2005/11/07 - 2005/10/31	2005/11/11 - 2005/11/08	2005/11/23 - 2005/11/12	2005/11/29 - 2005/11/24	2005/12/04 - 2005/11/30	2005/12/05 - 2005/12/05	2005/12/18 - 2005/12/06	2005/12/29 - 2005/12/19	2006/01/05 - 2005/12/30	2006/01/10 - 2006/01/06	2006/01/25 - 2006/01/11	2006/01/28 - 2006/01/26	2006/02/28 - 2006/01/29
Construction Schedule																															
No.	**Activity Description**	**Duration (days)**	**Start Date**	**Finish Date**	4d	6d	44d	6d	18d	16d	28d	31d	20d	2d	28d	1d	14d	24d	8d	4d	12d	6d	5d	1d	13d	11d	7d	5d	15d	3d	31d
1	**Site Clearance**																														
a	existing ground breaking	04 days	2005/03/03	2005/03/06	####																										
b	removal of demolition/ waste materials	06 days	2005/03/07	2005/03/12		####																									
c	erection of office/ hoarding/ fencing	54 days	2005/03/03	2005/04/25	####	####	####																								
2	**Reclamation (for both Pad & EVA)**																														
a	dredging	34 days	2005/05/02	2005/06/04					####	####																					
b	placing/ trimming of pell mell rubble	75 days	2005/05/20	2005/08/02						####	####	####																			
c	placing/ trimming of rock underlayer	82 days	2005/07/03	2005/09/22								####	####	####	####	####															
d	placing/ trimming of rock armour	104 days	2005/08/23	2005/12/04										####	####	####	####	####	####	####	####	####	####								
3	**Construction of Helipad**																														
a	casting precast conc. wave deflector	121 days	2005/04/26	2005/08/24				####	####	####	####	####	####	####																	
b	installation of precast w/d	47 days	2005/09/22	2005/11/07												####	####	####	####												
c	filling the pad with granular material	16 days	2005/11/08	2005/11/23																####	####										
d	compression of foundation material	06 days	2005/11/24	2005/11/29																		####									
f	construct r.c. slab	57 days	2005/11/30	2006/01/25																			####	####	####	####	####	####	####		
g	install helipad facilities	61 days	2005/12/30	2006/02/28																							####	####	####	####	####
4	**Construction of EVA**																														
a	filling the EVA with granular material	24 days	2005/10/07	2005/10/30														####													
b	compression of foundation material	12 days	2005/10/31	2005/11/11															####	####											
c	construct R.C. Slab	55 days	2005/11/12	2006/01/05																	####	####	####	####	####	####	####				
d	associated drainage	36 days	2005/12/06	2006/01/10																					####	####	####	####			
e	install railing and other e&m facilities	72 days	2005/12/19	2006/02/28																						####	####	####	####	####	####
f	landscaping work	31 days	2006/01/29	2006/02/28																											####

Construction Noise Calculation - Mitigated
