

Appendix 7.3 - Flora Recorded Within the Assessment Area

Botanic Name	Form	Status
(various cyperous grasses)	herb	common
<i>Acacia auriculiformis</i>	tree	exotic, common
<i>Acacia confusa</i>	tree	exotic, common
<i>Acacia mangium</i>	tree	exotic, common
<i>Acanthus ilicifolius</i>	herb	common
<i>Acronychia pedunculata</i>	tree	common
<i>Acrostichum aureum</i>	herb	restricted
<i>Adiantum flabellulatum</i>	herb	very common
<i>Aegiceras corniculatum</i>	shrub	common
<i>Ageratum conyzoides</i>	herb	exotic, common
<i>Alangium chinense</i>	tree	common
<i>Albizia lebbek</i>	tree	common
<i>Aleurites moluccana</i>	tree	common
<i>Alocasia macrorrhiza</i>	herb	common
<i>Alternanthera philoxeroides</i>	herb	exotic, common
<i>Alternanthera sessilis</i>	herb	common
<i>Amaranthus viridis</i>	herb	exotic, common
<i>Amygdalus persica</i>	tree	widely cultivated
<i>Annona squamosa</i>	tree	exotic, common
<i>Antidesma bunius</i>	tree	common
<i>Aporosa dioica</i>	shrub	common
<i>Aquilaria sinensis</i>	tree	common, protected in China
<i>Artocarpus heterophyllus</i>	tree	common
<i>Athyriopsis japonica</i>	fern	very common
<i>Averrhoa carambola</i>	tree	introduced, common
<i>Avicennia marina</i>	tree	common
<i>Bambusa chungii</i>	tree	widely cultivated
<i>Bambusa mutabilis</i>	grass	common
<i>Bambusa spp.</i>	grass	common
<i>Bauhinia blakeana</i>	tree	common
<i>Bidens alba</i>	herb	exotic, common
<i>Bidens bipinnata</i>	herb	common
<i>Bischofia trifoliata</i>	tree	common
<i>Blechnum orientale</i>	fern	very common
<i>Breynia fruticosa</i>	shrub	very common
<i>Bridelia tomentosa</i>	tree	common
<i>Brugaria gymnorhiza</i>	tree	restricted
<i>Byttneria aspera</i>	woody climber	very common
<i>Callipteris esculenta</i>	fern	common
<i>Calonyction aculeatum</i>	climber	exotic, restricted
<i>Canavalia maritima</i>	climber	common
<i>Capsicum frutescens</i>	herb	widely planted
<i>Carmona microphylla</i>	shrub	exotic, cultivated
<i>Caryota ochlandra</i>	tree	common
<i>Cassia alata</i>	shrub	exotic, common
<i>Cassia spectabilis</i>	tree	widely cultivated
<i>Cassytha filiformis</i>	climber	very common
<i>Castanopsis fissa</i>	tree	common
<i>Casuarina equisetifolia</i>	tree	exotic, common
<i>Celosia argentea</i>	herb	very common
<i>Celtis sinensis</i>	tree	very common
<i>Cerbera manghas</i>	tree	common
<i>Chrysalidocarpus lutescens</i>	tree	very common
<i>Cinnamomum camphora</i>	tree	very common
<i>Cinnamomum parthenoxylon</i>	tree	common
<i>Citrus grandis</i>	tree	widely planted
<i>Citrus reticulata</i>	tree	common
<i>Clausena lansium</i>	tree	common
<i>Cleistocalyx operculata</i>	tree	common
<i>Clerodendrum inerme</i>	shrub	common
<i>Cocculus orbiculatus</i>	climber	common
<i>Colocasia esculenta</i>	herb	widely cultivated
<i>Commelina communis</i>	herb	restricted
<i>Commelina nudiflora</i>	herb	common
<i>Conyza canadensis</i>	herb	very common
<i>Cratogeomys cochinchinense</i>	tree	very common
<i>Cyclosorus acuminatus</i>	herb	very common
<i>Cyclosorus parasiticus</i>	fern	very common
<i>Cynodon dactylon</i>	herb	exotic, common
<i>Cyperus malaccensis</i>	herb	common
<i>Cyperus rotundus</i>	herb	very common
<i>Desmos cochinchinensis</i>	woody climber	common
<i>Dicranopteris petata</i>	fern	very common
<i>Dimocarpus longan</i>	tree	widely planted

Appendix 7.3 - Flora Recorded Within the Assessment Area

Botanic Name	Form	Status
<i>Eclipta prostrata</i>	herb	common
<i>Elaeocarpus hainanensis</i>	tree	cultivated
<i>Eleusine indica</i>	herb	exotic, common
<i>Erythrina variegata</i>	tree	widely cultivated
<i>Eucalyptus citriodora</i>	tree	exotic, common
<i>Eucalyptus robusta</i>	tree	exotic, common
<i>Eucalyptus forelliana</i>	tree	exotic, common
<i>Eupatorium catarium</i>	herb	exotic, common
<i>Eupatorium odoratum</i>	herb	exotic, common
<i>Euphorbia pulcherrima</i>	shrub	exotic, cultivated
<i>Euphorbia thymifolia</i>	herb	very common
<i>Excoecaria agallocha</i>	tree	common
<i>Ficus benjamina</i>	tree	common, cultivated
<i>Ficus elastica</i>	tree	introduced, common
<i>Ficus hispida</i>	tree	common
<i>Ficus microcarpa</i>	tree	common
<i>Ficus pumila</i>	climber	very common
<i>Ficus superba</i>	tree	common
<i>Ficus variegata</i>	tree	common
<i>Ficus vasculosa</i>	shrub or tree	common
<i>Ficus virens</i>	tree	common
<i>Fimbristylis ferruginea</i>	herb	common
<i>Fortunella margarita</i>	shrub	cultivated
<i>Glochidion eriocarpum</i>	shrub	very common
<i>Gnetum parvifolium</i>	woody climber	common
<i>Gossampinus malabarica</i>	tree	widely planted
<i>Hibiscus rosa-sinensis</i>	shrub	widely planted
<i>Hibiscus tiliaceus</i>	tree	common
<i>Imperata cylindrica</i>	herb	very common
<i>Ipomoea cairica</i>	climber	exotic, common
<i>Ipomoea hederacea</i>	climber	exotic, very common
<i>Kandelia obovata</i>	tree	very common
<i>Kyllinga monocephala</i>	herb	very common
<i>Lagerstroemia speciosa</i>	tree	common, widely planted
<i>Lantana camara</i>	shrub	exotic, common
<i>Lemnaphyllum microphyllum</i>	herb	common
<i>Leucaena leucocephala</i>	tree	introduced, common
<i>Ligustrum sinense</i>	tree	common
<i>Liquidambar formosana</i>	tree	common, widely planted
<i>Litchi chinensis</i>	tree	restricted but widely planted
<i>Litsea cubeba</i>	tree	common
<i>Litsea glutinosa</i>	tree	very common
<i>Litsea monopetala</i>	tree	restricted
<i>Litsea rotundifolia</i>	tree	very common
<i>Livistona chinensis</i>	tree	cultivated
<i>Lophatherum gracile</i>	herb	very common
<i>Lophostemon confertus</i>	tree	exotic, common
<i>Lumnitzera racemosa</i>	tree	restricted
<i>Macaranga tanarius</i>	tree	very common
<i>Machilus chekiangensis</i>	tree	very common
<i>Mallotus apelta</i>	shrub	common
<i>Mallotus paniculatus</i>	tree	very common
<i>Mangifera indica</i>	tree	introduced, common
<i>Melaleuca leucadendron</i>	tree	exotic, common
<i>Melia azedarach</i>	tree	exotic, common
<i>Michelia alba</i>	tree	widely planted
<i>Microcos paniculata</i>	tree	common
<i>Microstegium ciliatum</i>	herb	very common
<i>Mikania micrantha</i>	climber	exotic, common
<i>Millettia reticulata</i>	woody climber	common
<i>Mimosa pudica</i>	herb	exotic, common
<i>Miscanthus floridulus</i>	herb	common
<i>Miscanthus sinensis</i>	herb	common
<i>Mucuna championii</i>	woody climber	rare
<i>Murraya paniculata</i>	tree	exotic, common
<i>Musa x paradisiaca (musa paradisiacavar. Sap</i>	tree	exotic, common
<i>Nerium indicum</i>	shrub	widely cultivated
<i>Neyraudia reynaudiana</i>	herb	common
<i>Pandanus tectorius</i>	shrub	common
<i>Panicum repens</i>	herb	very common
<i>Paspalum conjugatum</i>	herb	exotic, common
<i>Pavetta hongkongensis</i>	shrub	common, protected under HK law
<i>Phragmites communis</i>	herb	very common
<i>Phyllanthus cochinchinensis</i>	herb	very common

Appendix 7.3 - Flora Recorded Within the Assessment Area

Botanic Name	Form	Status
<i>Phyllanthus emblica</i>	tree	very common
<i>Pinus eliottii</i>	tree	exotic, widely planted
<i>Pinus massoniana</i>	tree	common
<i>Plumeria rubra</i>	tree	exotic
<i>Polygonum chinense</i>	herb	very common
<i>Polygonum hydropiper</i>	herb	common
<i>Pseudodrynaria coronans</i>	herb	common
<i>Psychotria rubra</i>	shrub	common
<i>Pteris semipinnata</i>	fern	very common
<i>Pueraria lobata</i>	climber	very common
<i>Pyrrosia adnascens</i>	fern	common
<i>Rhodomyrtus tomentosa</i>	shrub	very common
<i>Rhus hypoleuca</i>	tree	common
<i>Rhus succedanea</i>	tree	very common
<i>Ricinus communis</i>	shrub	restricted
<i>Rosa henryi</i>	shrub	common
<i>Rubus reflexus</i>	climber	very common
<i>Sapium discolor</i>	tree	common
<i>Sapium sebiferum</i>	tree	common
<i>Schefflera octophylla</i>	tree	very common
<i>Sesbania cochinchinensis</i>	herb	common
<i>Sida rhombifolia</i>	herb	exotic, common
<i>Solanum torvum</i>	herb	exotic, common
<i>Sterculia lanceolata</i>	tree	very common
<i>Suaeda australis</i>	herb	common
<i>Synedrella nodiflora</i>	herb	very common
<i>Terminalia catappa</i>	tree	widely cultivated
<i>Tetracera asiatica</i>	woody climber	very common
<i>Tetradium glabrifolium</i>	tree	common
<i>Thespesia populnea</i>	tree	restricted
<i>Thevetia peruviana</i>	shrub	cultivated
<i>Tradescantia zebrina</i>	herb	exotic, cultivated
<i>Vitex negundo</i>	shrub	restricted
<i>Wedelia trilobata</i>	herb	introduced, common
<i>Youngia japonica</i>	herb	very common
