

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Mai Po Area)**

Active Agriculture

Active Fishpond

Inactive Fishpond/Pond

Reedbed / Freshwater Marsh

Drainage Channel (ditch adjacent to MPV works area)

Drainage Channel (ditch adjacent to Palm Springs)

Grassland

Seasonally Wet Grassland

Secondary Woodland

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Mai Po Area)**

Shrubland

Plantation

Developed Area / Wasteground

Developed Area / Wasteground

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Ngau Tam Mei Area)**

Active Agriculture

Active Fishpond

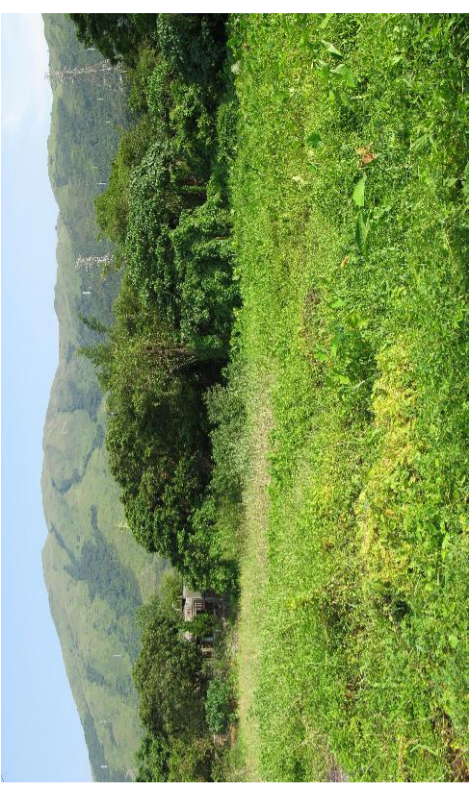

Inactive Fishpond / Pond

Watercourse

Drainage Channel

Grassland

Reedbed / Freshwater Marsh

Secondary Woodland

Shrubland

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Ngau Tam Mei Area)**

Plantation

Developed Area / Wasteground

Inactive Agriculture

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Shek Kong Area)**

Reedbed / Freshwater Marsh

Grassland

Watercourse (in SSS / ERS study area)

Watercourse (in SSS / ERS study area)

Watercourse (in SSS / ERS study area)

Oligochaetes on the Stream Bed (watercourse in SSS / ERS study area)

Watercourse (Abandoned Meander in SSS / ERS study area)

Watercourse (in PHV study area)

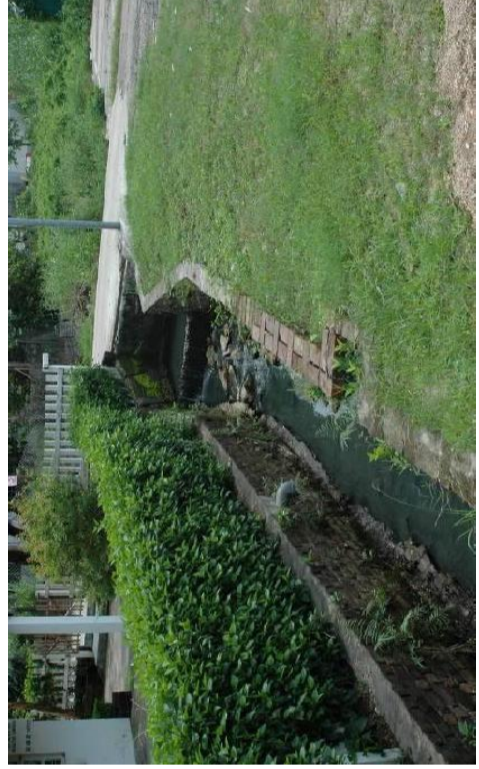

Watercourse (in PHV study area)

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Shek Kong Area)**

Drainage Channel (in SSS / ERS study area)

Drainage Channel (in SSS / ERS study area)

Drainage Channel (in TPP study area)

Drainage Channel (in PHV study area)

Developed Area / Wasteground (in TPP study area)

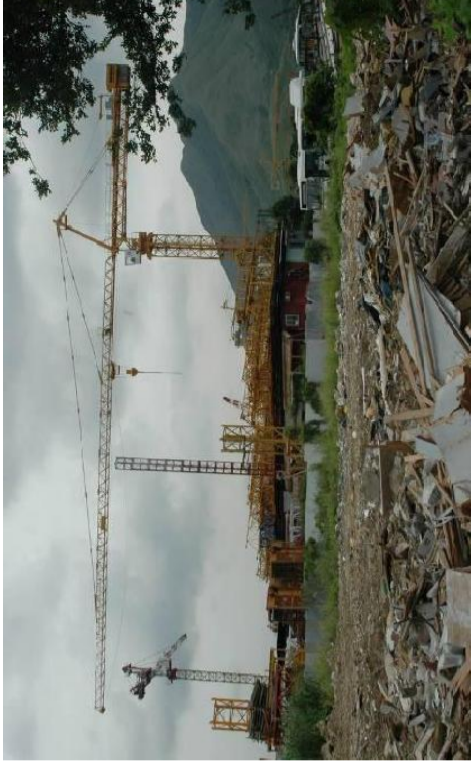

Developed Area / Wasteground (in SSS / ERS study area)

Developed Area / Wasteground (in SSS / ERS study area)

Developed Area / Wasteground (in SSS / ERS study area)

Developed Area / Wasteground (in SSS / ERS study area)

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Shek Kong Area)**

Inactive Fishpond / Pond

Inactive Agriculture (in TUW study area)

Inactive Agriculture (in TPP study area)

Active Agriculture (in TPP study area)

Active Agriculture (in SSS / ERS study area)

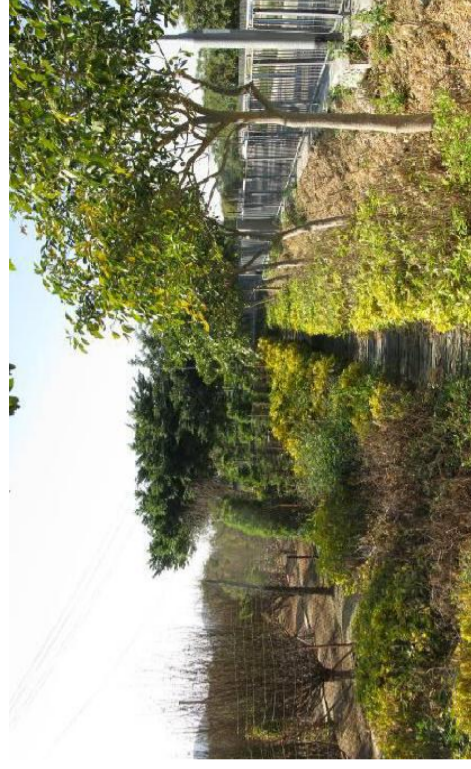

Active Agriculture (in TUW study area)

Secondary Woodland

Shrubland

Plantation

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Shek Kong Area)**

Created Wetland (under Kam Tin Bypass Project)

Created Wetland (under Kam Tin Bypass Project - dried out and overgrown with vegetation)

Created Wetland (under West Rail Project)

**Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Tai Tong Area)**

Active Fishpond

Inactive Fishpond

Watercourse

Grassland

Secondary Woodland

Shrubland

Plantation

Developed Area / Wasteground

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Ventilation Buildings and Works Shafts)

Shing Mun Ventilation Building (SMV)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Ventilation Buildings and Works Shafts)

Kwai Chung Ventilation Building (KWV)

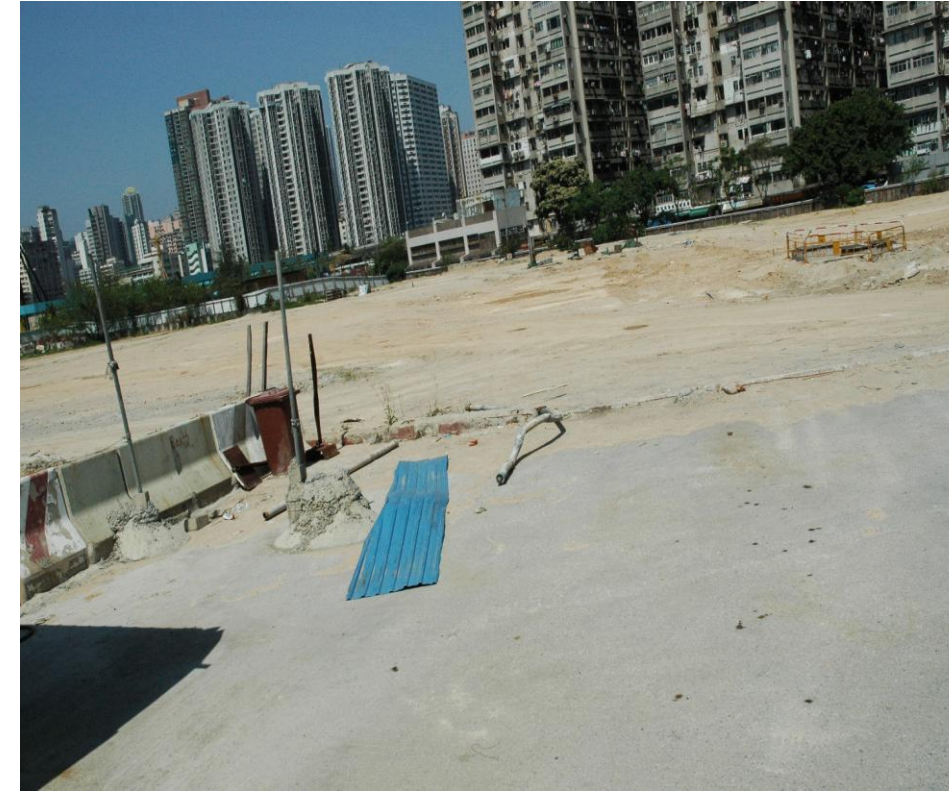

Nam Cheong Ventilation Building (KCV)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Ventilation Buildings and Works Shafts)

Mong Kok West Ventilation Building (MKV)

Mong Kok West Ventilation Building (MKV)

Mong Kok West Ventilation Building (MKV)

Hoi Ting Street Works Area (HTW)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Ventilation Buildings and Works Shafts)

Shek Yam Works Area (SYW)

Shek Yam Works Area (SYW)

Mei Lai Road Works Area (MLW)

Mei Lai Road Works Area (MLW)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Barging Points)

West Kowloon Barging Point (WKB)

West Kowloon Barging Point (WKB)

Nam Cheong Barging Point (NCB)

Nam Cheong Barging Point (NCB)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Barging Points)

Rambler Channel Barging Point

Rambler Channel Barging Point (NCB)

Siu Lam Barging Point (SLB)

Siu Lam Barging Point (SLB)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Barging Points)

Lung Kwu Sheung Tan Barging Point

Lung Kwu Sheung Tan Barging Point

Tsing Chau Tsai Barging Point (TCB)

Tsing Chau Tsai Barging Point (TCB)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Temporary Nursery Area and Temporary Site Explosive Magazine)

So Kwun Wat Works Area (SKW)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Temporary Nursery Area)

Siu Lang Shui Works Area (SLSW)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Proposed Works Areas for Terminus)

West Kowloon Terminus (WKT)

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Other Works Areas)

Lai Chi Kok Works Area (LCW)

Public Transport Interchange

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Other Works Areas)

Works area near SYW

Works area near SYW

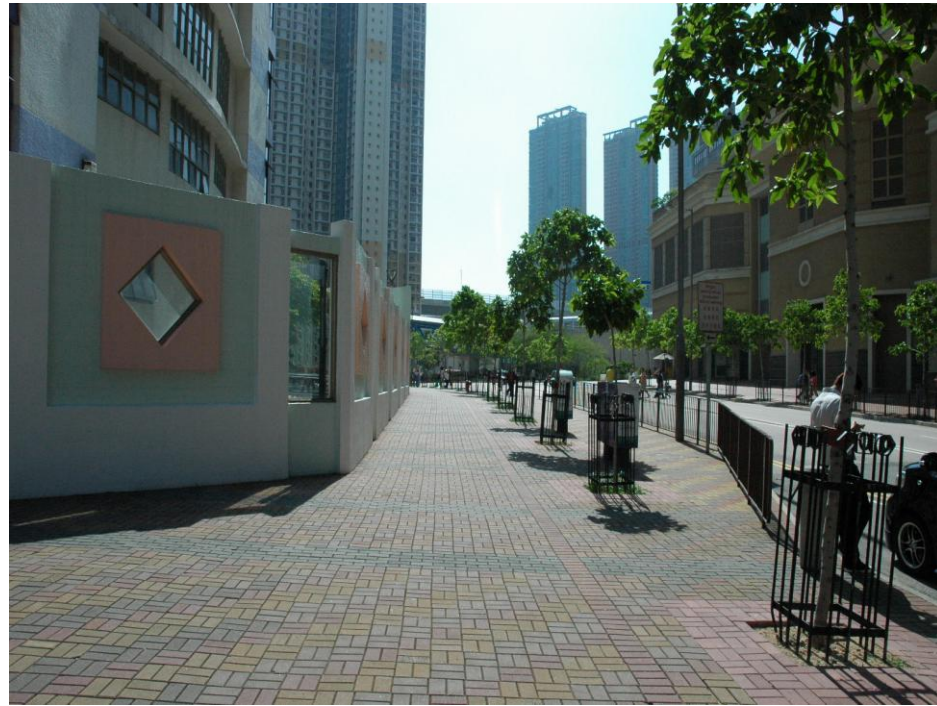

Works area near KCV

Works area near KCV

Appendix 3.1 Representative Photographs of Habitats Recorded within the Study Area
(Other Works Areas)

Works areas near LCW

Works areas near LCW

Works area near MKV
