**Environmental Impact Assessment (EIA) Ordinance, Cap.499
Application for Permission to Apply Directly for Environmental Permit**

**Project Title: Agreement no. CE47/2014(GE) - Landslip Prevention and Mitigation
Programme near Bride's Pool Road, Tai Po - 3SE-D/SA2
(Application No. DIR-277/2020)**

I refer to your above application received on 4 August 2020 for permission to apply directly for environmental permit under Section 5(1)(b) of the EIA Ordinance.

With the consent of the Secretary for the Environment under Section 5(11) of the EIA Ordinance, I now permit you to apply directly for environmental permit subject to the attached conditions.

Under Section 15 of the EIA Ordinance, the decision on the application will be placed on the EIA Ordinance Register. It will also be placed on the EIA Ordinance website (<http://www.epd.gov.hk/eia/>).

Please note that if you are aggrieved by any of the conditions imposed in this permission, you may appeal under Section 17 of the EIA Ordinance within 30 days of receipt of this permission.

Should you have any queries on the above application, please contact my colleague Mr. Lawrence LIU at 2835 1142.

Yours sincerely,

Handwritten signature of Stanley C.F. LAU in black ink.

(Stanley C.F. LAU)

Acting Principal Environmental Protection Officer
for Director of Environmental Protection

Encl.

Environmental Impact Assessment (EIA) Ordinance, Cap. 499
Application for Permission to Apply Directly for Environmental Permit

Project Title: Agreement no. CE47/2014(GE) - Landslip Prevention and Mitigation
Programme near Bride's Pool Road, Tai Po - 3SE-D/SA2
(Application No. DIR-277/2020)

Conditions Imposed under Section 5(12) of the EIA Ordinance
for Permission to Apply Directly for Environmental Permit

- (a) No works shall be carried out outside the works areas boundary as indicated in Figure 1 of the Project Profile (no. PP-607/2020);
- (b) All measures described in the Project Profile (no. PP-607/2020) submitted with the application on 4 August 2020 shall be fully implemented for the Project;
- (c) The Applicant shall submit to the Director for approval, at least six weeks before commencement of construction, three sets of a Detailed Baseline Survey Report showing the updated number, locations and conditions of all existing trees and species of conservation importance within the works areas;
- (d) The Applicant shall submit to the Director for approval, at least six weeks before commencement of construction, three sets of a Detailed Landscape Mitigation Plan showing the details of protective measures for existing plants, trees and root systems during construction. The Detailed Landscape Mitigation Plan shall also indicate with the aid of figures, re-vegetation by native shrubs, and locations of re-vegetation of the existing disturbed ground including other suitable areas within the works area. All proposed measures recommended in the approved Detailed Landscape Mitigation Plan shall be fully implemented during construction;
- (e) An independent environmental checker shall be employed to audit the implementation of all measures recommended in the Project Profile (no. PP-607/2020), and to confirm in writing in the monthly monitoring reports for full implementation of the measures during and upon completion of the construction works.
