Profits Tax Deduction for Capital Expenditure on Environment-friendly Vehicles
Enquiry Form for Environment Friendly Vehicles
(Please fax to EPD at 2824 9361)

Sender (Name/Company Name)：_____

Telephone Number : _____ **Fax Number :** _____

In support of the application to the Inland Revenue Department for profits tax deduction of capital expenditure incurred on the purchase of the following vehicle, I / my company would like to enquire whether the vehicle on the date of purchase is an eligible environment-friendly vehicle under the "Tax Incentives for Environment-friendly Commercial Vehicles" or "Tax Incentives for Environment-friendly Petrol Private Cars" schemes:

Vehicle /Vehicle Model Information (Please provide the vehicle registration documents)

Date of Purchase : _____

Vehicle Make and Model： _____

Vehicle Model Number : _____

Chassis Number : _____

Engine Make : _____

Engine Model : _____

Rated Maximum Power : _____ kW@ _____ rpm

Signature : _____

Date : _____

Note: All hybrid vehicle and electric vehicle models are environment-friendly vehicles eligible for the profits tax concession. No verification by the Environmental Protection Department is required.

_____

For Environmental Protection Department's use only

We have verified that, (1) on the date of purchasing the vehicle by you / your company / (2) on 18/6/ 2010, the vehicle is / is not an eligible environment-friendly vehicle under the "Tax Incentives for Environment-friendly Commercial Vehicles" or "Tax Incentives for Environment-friendly Petrol Private Cars" schemes. If you have any question, please contact us at 2594 6392.

Note: The qualifying standards for the above two tax incentives schemes will be reviewed annually in the light of technological development and the prevailing statutory emission standards. Profits tax deduction for capital expenditure on environment-friendly vehicles is determined on the date of purchase. If eligible vehicles under this scheme would like to obtain the first registration concessions under the "Tax Incentives for Environment-friendly Commercial Vehicles" or "Tax Incentives for Environment-friendly Petrol Private Cars" schemes, the vehicles must comply with the qualifying standards on the date of first registration.
