

# SHENZHEN ENVIRONMENTAL ELECTRICAL APPLIANCE COMPANY

## Environmental Policy

Shenzhen Environmental Electrical Appliance Company (SEEA) is specialized in the manufacturing and assembling hair dryers, ovens and heaters.

Producing environmentally-friendly, quality and competitive products has always been our goal, and we believe it will help us to establish the good and long-term business relationship with our clients. The Company is also committed to protecting the environment of the earth.

We are committed to delivering services with minimal impact to the environment by the following: -

1. Commit to prevent pollution, reduce waste and minimise the consumption of resources
2. Comply with applicable legal requirements and other requirements to which the Company subscribes which relate to its environmental aspects.
3. Identify, control and monitor our products and operation processes in an environmentally responsible manner.
4. Establish environmental objectives, targets and measures as the basis for continual improvement.
5. Provision of staff training to ensure all staff understand, implement and develop these principles through our business so that tasks are carried out in environmentally responsible manner.
6. Encourage environmental protection among suppliers and subcontractors.

This Policy will be communicated to all staff, contractors and suppliers, and be available to the public.
