

AIR POLLUTION CONTROL (ASBESTOS) (ADMINISTRATION)
REGULATION

(Made under section 43(1) of the Air Pollution Control Ordinance (Cap. 311) after consultation with the Advisory Council on the Environment)

PART I

PRELIMINARY

1. Commencement

This Regulation shall come into operation on a day to be appointed by the Secretary for Planning, Environment and Lands by notice in the Gazette.

2. Interpretation

In this Regulation, unless the context otherwise requires -
"qualified professional" means -

- (a) a person whose name is on the register of registered architects established and maintained under the Architects Registration Ordinance (Cap. 408);
- (b) a person whose name is on the register of registered professional engineers established and maintained under the Engineers Registration Ordinance (Cap. 409) and is within a recognized discipline; or
- (c) a person whose name is on the register of registered professional surveyors established and maintained under the Surveyors Registration Ordinance (Cap. 417) and is within a recognized division;

"recognized" means recognized by the Authority for the purposes of this Regulation;

"any register" means any register kept and maintained by the Authority under section 51 of the Ordinance.

PART II
QUALIFICATIONS

3. Registered asbestos consultants

The Authority shall not register a natural person as a registered asbestos consultant unless the Authority is satisfied that the person -

- (a) (i) (A) has a recognized bachelor degree in science, engineering, architecture, building or building surveying, or other recognized qualification; and
- (B) has had not less than 12 months recognized working experience in asbestos abatement and management work since obtaining a qualification referred to in sub-subparagraph (A);

- (c) has completed a recognized course of training comprising of lectures and practical sessions in the nature and use of asbestos, legislation and codes of practice relating to asbestos, personal protection abatement methods and the use and maintenance of equipment relating to asbestos.

7. Application for registration

(1) The information given in an application for registration as an asbestos consultant, asbestos contractor, asbestos laboratory or asbestos supervisor shall include the following particulars, supported by copies of documentary proof -

- (a) identity, business and company registration certificates;
- (b) academic and professional qualifications;
- (c) training and experience in asbestos abatement work; and
- (d) in the case of an application for registration as -

- (i) a registered asbestos consultant or registered asbestos laboratory, disclosure of any direct or indirect pecuniary interest in any person who is, or who has made an application for registration as, a registered asbestos contractor or registered asbestos supervisor;

- (ii) a registered asbestos contractor or registered asbestos supervisor, disclosure of any direct or indirect pecuniary interest in any person who is, or who has made an application for registration as, a registered asbestos consultant or registered asbestos laboratory;
 - (iii) a registered asbestos contractor, the identity of any registered asbestos supervisor under his or its employment; or
 - (iv) a registered asbestos laboratory, details of any natural persons, companies and other bodies corporate having an interest in its ownership and details of its facilities and equipment.
- (2) Every application for registration -
- (a) shall be in the form approved by the Authority; and
 - (b) shall contain declarations to the effect that -
 - (i) all the particulars stated in the application are true and correct to the best knowledge and belief of the applicant;
 - (ii) the applicant has read Parts VI, VII, VIII and IX of the Ordinance; and
 - (iii) the applicant is aware of his obligations and duties under the Ordinance.

PART III

PRESCRIBED FEES AND CERTIFICATE

8. Prescribed fees and period

- (1) An applicant for registration shall pay a fee of \$2,748.
- (2) The prescribed annual fee for the purposes of section 59 of the Ordinance is \$867.

(3) The prescribed fee for the purposes of section 61(2) of the Ordinance is \$2,748.

(4) Subject to subsection (7), before entering the name of any person to any register, the person shall pay an annual fee of \$867.

(5) Subject to subsection (7), before restoring the name of any person to any register, the person shall pay an annual fee of \$867.

(6) For the purposes of section 60(c) of the Ordinance, the prescribed period shall be 1 January to 31 March in each calendar year subsequent to the first year of the person concerned being registered.

(7) Where any person is registered or restored to any register on or after 1 July in any year, then the fee specified in subsection (4) or (5), as the case may be, otherwise payable by that person for that year shall be reduced by half.

9. Certificate of registration

The Authority shall, on entering or restoring the name of any person to any register, or after receiving the annual fee for continued registration, issue to the person a certificate in such form as the Authority thinks fit as evidence of such registration

Secretary for Planning,
Environment and Lands.

1995.

Explanatory Note

The object of this Regulation is to provide for the qualifications, information to be included in forms and fees payable for the registration (and continued registration) of a person, company or laboratory for the control of asbestos.
