ANNEX A

LIST OF CONSULTEES

_	
a)	Green Groups :
i)	World Wide Fund for Nature Hong Kong
ii)	Friends of the Earth
iii)	Friends of the Country Parks
iv)	The Conservancy Association
v)	The Hong Kong Marine Conservation Society
vi)	The Marine Biological Association of Hong Kong
vii)	Green Power .
viii)	
ix)	Green Peng Chau Association
b)	Professional Bodies :
i)	Chartered Institution of Water and Environmental Management
ii)	Environmental Division, Hong Kong Institution of Engineers
iii)	Hong Kong Institute of Planners
iv)	Hong Kong Institute of Environmental Impact Assessment
v)	Hong Kong Waste Management Association
vi)	Hong Kong Environmental Law Association
vii)	Private Sector Committee on the Environment
viii)	
ix)	American Chamber of Commerce
x)	Federation of Hong Kong Industries
xi)	The Chinese manufacturer's Association of Hong Kong
c)	Academic Groups :
i)	The University of Hong Kong
∥ ΄	a. Faculty of Science
	b. Faculty of Engineering
	b. Faculty of Engineeringc. The Centre of Urban Planning and Environmental Management
ii)	•
ii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science
ii)	 c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies
ii) iii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science
	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science
	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering
	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre
	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies
	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University
iii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering
iii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use
iii)	 c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles
iii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles City University of Hong Kong
iii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles City University of Hong Kong a. Faculty of Science and Technology
iii) iv) v)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles City University of Hong Kong a. Faculty of Science and Technology b. Centre for Environmental Science & Technology
iii)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles City University of Hong Kong a. Faculty of Science and Technology b. Centre for Environmental Science & Technology Hong Kong Baptist University
iii) iv) v)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles City University of Hong Kong a. Faculty of Science and Technology b. Centre for Environmental Science & Technology Hong Kong Baptist University a. Faculty of Science
iii) iv) v)	c. The Centre of Urban Planning and Environmental Management The Chinese University of Hong Kong a. Faculty of Science b. The Centre for Environmental Studies The University of Science and Technology a. The School of Science b. The School of Engineering c. Research Centre d. Institute for Environmental Studies The Hong Kong Polytechnic University a. Faculty of Engineering b. Faculty of Construction and Land Use c. Faculty of Applied Science and Textiles City University of Hong Kong a. Faculty of Science and Technology b. Centre for Environmental Science & Technology Hong Kong Baptist University a. Faculty of Science
