

**Public Education Programme under the  
“Policy Framework for the  
Management of Municipal Solid Waste (2005-2014)”**

**PURPOSE**

This paper presents the funding applications received under the Public Education Programme under the “Policy Framework for the Management of Municipal Solid Waste (2005-2014)” and seeks Members’ views on these applications.

**BACKGROUND**

2. The Environment and Conservation Fund (ECF) Committee endorsed the Public Education Programme and the proposed themes at its meeting on 16 March. The Programme was subsequently opened for applications through a dedicated website on EPD’s homepage<sup>1</sup>. Some 30 emails were also issued to major greens groups and non-government organizations to inform them of the Programme.

**FUNDING APPLICATIONS AND PRELIMINARY ASSESSMENT**

3. At the close of the application period, we received a total of ten funding applications. A summary of the applications received is presented below, with the full applications annexed<sup>2</sup> to this paper (*Annex 1 through Annex 10*). In making our preliminary assessment<sup>3</sup>, we have taken into consideration the objectives and the themes of the Programme, the deliverables and the long-term sustainability of the projects, the experience and the capacity of the proponents, as well as the need to have a well-balanced and manageable Programme.

## **WAY FORWARD**

4. Subject to Members' in-principle support, we will further work with the applicants of the six recommended projects to refine the details and the budgets. Upon finalization, we shall table the projects to the ECF Committee for endorsement.

### **Advice Sought**

5. Members are invited to comment on the funding applications and the recommendations.
