

Waste Diversion Plan TV API (Nov 2015)

English script:

Little girl (subtitle) : Good morning, Uncle. I'm going to school.

Driver (subtitle) : Starting tomorrow, I'll come in the afternoon instead!

MVO : From January 6, 2016, the South East New Territories Landfill will no longer accept domestic, commercial and industrial waste. Waste collectors must change routes and deliver waste to refuse transfer stations at a fee or other landfills. They should talk with property owners or management companies to revise collection times and fees as soon as possible.

Little girl (sub-title): Ah, I'll see you after school tomorrow.

Driver/Mom : (Smile)
