

Table 3.14 Summary of the Assessment for Building No. 05

<i>Building No., Name & Designation</i>	<i>Date of Construction and Original Use</i>	<i>Reference Drawings</i>
05 Garage Within Central Police Station Declared Monument	1924 Garage for 'motor vans and cars', and some servants accommodation	
<i>Brief Overview</i>	<i>Proposed Adaptive Uses</i>	<i>Significance (refer to Section 3.11 of the Conservation Management Plan dated June 2008)</i>
Single storey red brick building with a pitched roof. Internally is a large open space with concrete posts and steel truss roof. There are also a range of small rooms to the east. It was constructed on the Site of the earlier servants' wing to the south of Building 04, and continued in use as a garage through to decommissioning.	This building will be demolished to create an open space.	LOW This building does not have any architectural or historical significance. The main importance lies in the potential for archaeology of the original servants' wing.
<i>Conservation Approach</i>	<i>Major Proposed Changes (for Mitigations see Annex A1)</i>	<i>Other Heritage Impact Rating Assessments</i>
	This building will be demolished to create an open space.	Impact Rating 2 – Acceptable Impact
