

Exiting View towards Project Site from VPa

Exiting View towards Project Site from VPf

Project Site at Operation* from VPa

Project Site at Operation* from VPf

Photomontage from VPa and VPf (Central/ Mid-Levels Escalator above Hollywood Road)
(Street Level at Hollywood Road/Pottinger Street Junction)

*Design features incorporated and tootendge subject to ACABAS review.
With hard landscape maintenance, the view at Operation Day 1 and Year 10 are expected to show little significant difference and therefore the view at operation is shown in one image.
