

Existing view towards Project Site

View towards Project Site with Mitigation Measures on Day 1 of Operation\*

View towards Project Site without Mitigation Measures on Day 1 of Operation

View towards Project Site with Mitigation Measures at Year 10 of Operation\*

Photomontage from VPb  
 (Medium/ High Level Commercial/Residential Building(s) above Hollywood Road)

\*Design features incorporated and additional mitigation labelled.

With hard landscape maintenance, the view at Day 1 and Year 10 are expected to show little significant difference.
