

Existing view towards Project Site

View towards Project Site with Mitigation Measures on Day 1 of Operation*

View towards Project Site without Mitigation Measures on Day 1 of Operation

View towards Project Site with Mitigation Measures at Year 10 of Operation*

Photomontage from VPd
 (Medium/High Rise Level Residential Building(s) on Chancery Lane)

*Design features incorporated and additional mitigation labelled.
 With hard landscape maintenance, the view at Day 1 and Year 10 are expected to show little significant difference.
