Application No.	Key Proposed Variation(s)	Reasons for Variation(s)	With reference to section 6.2 of the EIAO-TM, there is <b>no</b> material change to the environmental impact of the project with the mitigation measures in place	The project complies with the requirements described in the EIAO-TM	The Director agreed to amend the environmental permit without calling for an EIA report under s13(5) of the EIAO in consultation with relevant Authorities (Please check the box below)
VEP-645/2025 and VEP 646/2025	<ul style="list-style-type: none"> <li>To extend the South East New Territories Landfill Extension (SENTX) from 45 hectares to 45.9 hectares for including an additional void space located in South East New Territories Landfill (SENT) for filling of construction waste.</li> </ul>	<ul style="list-style-type: none"> <li>With respect to the latest restoration works including the re-positioning of the temporary leachate holding pond at SENT, a void space at SENT adjacent to SENTX would become available for construction waste filling.</li> <li>The proposed extension of SENTX waste filling area can extend the service life of SENTX, thereby reducing the burden of other landfills and avoid the need of long-haul trucking of construction waste to other landfills.</li> </ul>	<ul style="list-style-type: none"> <li>Yes. An Environmental Review (ER) has been conducted to assess the environmental impacts arising from the proposed variations.</li> <li>The ER has demonstrated that the environmental requirements set out in the EIA report for this project are not exceeded or violated with regard to the proposed variations.</li> <li>Under the proposed variations, the size of the active waste filling area at any given time within the new SENTX boundary would remain unchanged, and the operation of the existing landfill gas and leachate treatment facility would not be affected. Overall, no adverse environmental impact would be anticipated with the implementation of all the current SENTX operational mitigation and control measures at the proposed extended waste filling area.</li> </ul>	Yes	<input checked="" type="checkbox"/> EPD/Environmental Assessment <input checked="" type="checkbox"/> EPD/Air <input checked="" type="checkbox"/> EPD/Noise <input checked="" type="checkbox"/> EPD/Water <input checked="" type="checkbox"/> EPD/Waste <input type="checkbox"/> EPD/Sewerage <input type="checkbox"/> EPD/Hazard <input checked="" type="checkbox"/> EPD/Landfill Gas <input checked="" type="checkbox"/> AFCD <input type="checkbox"/> CAD <input type="checkbox"/> DoH <input type="checkbox"/> DSD <input type="checkbox"/> EMSD <input type="checkbox"/> FEHD <input type="checkbox"/> FSD <input type="checkbox"/> AMO <input type="checkbox"/> MD <input checked="" type="checkbox"/> PlanD <input type="checkbox"/> TD <input type="checkbox"/> WSD <input type="checkbox"/> Others: Please specify <hr/>
