

- Too close to residents 非常接近民居
- Conflict with future planning 影響東涌未來發展規劃
- Only ~50ha, not sufficient for entire HKBCF 面積不較容納整個香港口岸 (see Inset 見插頁 P)

Inset 插頁 P

TCB Not sufficient for entire HKBCF thus require HKBCF splitting into parts

⇒ Need to identify other site(s) for remaining part(s) of HKBCF

基於東涌灣面積所限，香港口岸必需要分開兩部分

⇒ 需要為香港口岸餘下部分另覓選址

For example:
BCF for passengers at
TCB BCF for GV's at
Airport NE Reclamation
