Attn: Mr. Lawrence M L Tsui, Principal Manager. Environmental Compliance

12 February 2026

Dear Sir,

Contract No. 3102
3RS Independent Environmental Checker Consultancy Services

Management Organizations

Reference is made to the ET's submission of updated Management Organizations under Condition 2.4 of the Environmental Permit No. EP-489/2014 certified by the ET Leader on 12 February 2026.

We would like to inform you that we have no comment on the captioned submission. Therefore we write to verify the captioned submission in accordance with the requirement stipulated in Condition 1.9 of EP-489/2014.

Should you have any query, please feel free to contact the undersigned at 3729 0380.

Yours faithfully,
AECOM Asia Co. Ltd.

Roy Man
Independent Environmental Checker

1 Introduction

The Environmental Impact Assessment (EIA) Report (Register No.: AEIAR-185/2014) prepared for the “Expansion of Hong Kong International Airport into a Three-Runway System” (the Project) has been approved by the Director of Environmental Protection, and an Environmental Permit (EP) (Permit No.: EP-489/2014) has been issued for the project under the Environmental Impact Assessment Ordinance.

The purpose of this updated Management Organizations is to provide the latest information based on the recent contracts awarded under this project. This updated Management Organizations includes the following information:

- a) the management organization of the main construction companies and/or any form of joint ventures associated with the construction of the Project (in Section 2);
- b) the management organization of the Environmental Team (ET) (in Section 3);
- c) the management organization of the Independent Environmental Checker (IEC) and his team (in Section 4); and
- d) organization charts, names of responsible persons and their contact details.

2 Management Organization of the Main Construction Companies

2.1 Advanced Works Contract

Langfang Huayuan Mechanical and Electrical Engineering Co., Ltd. (Contract P560(R)) is the contractor appointed to undertake the diversion of the existing submarine aviation fuel pipelines.

Construction works of Contract P560(R) have been completed.

2.2 Deep Cement Mixing (DCM) Works Contracts

Penta-Ocean-China State-Dong-Ah Joint Venture (Contract 3201), Samsung-Build King Joint Venture (Contract 3202), Sambo E&C Co., Ltd. (Contract 3203), China Road and Bridge-Sambo Joint Venture (Contract 3204) and Bachy Soletanche-Sambo Joint Venture (Contract 3205) are the contractors appointed to undertake the DCM ground improvement works.

Construction works of Contracts 3201, 3202, 3203, 3204, and 3205 have been completed.

2.3 Main Reclamation Works Contract

Zhen Hua Engineering Company Ltd.-China Communications Construction Company Ltd.-CCCC Dredging (Group) Company Ltd. (ZHEC-CCCC-CDC) Joint Venture (Contract 3206) is the contractor appointed to undertake the main reclamation works.

Names of the responsible persons and their contact details of Contract 3206 are set out in **Table 1** below.

2.4 Airfield Works Contracts

Fujita Corporation-China Harbour Engineering Company Ltd.-Zhen Hua Engineering Company Ltd. (FJT-CHEC-ZHEC) Joint Venture (Contract 3301) is the contractor appointed to undertake the construction works for the north runway crossover taxiway.

China Road and Bridge Corporation (Contract 3302) is the contractor appointed to undertake advance works for the eastern vehicular tunnel.

Sinohydro Corporation Limited, Powerchina Airport Construction Company Limited, Paul Y. Construction Company Limited, and Rock-One Engineering Company Limited (SAPR) Joint Venture (Contract 3303) is the contractor appointed to undertake the construction works for the new runway, taxiways, and associated works.

ADB Safegate Hong Kong Limited (Contract 3305) is the contractor appointed to undertake the construction works for the airfield ground lighting system.

Chinney Alliance Engineering Limited (Contract 3306) is the contractor appointed to undertake the works for the observation facility control systems supporting interim Two-Runway System (2RS) and Three-Runway System (3RS).

Paul Y. Construction Company Limited (Contract 3307) is the contractor appointed to undertake the construction works for the fire training facility on the new reclamation area.

DAS Aviation Services Group (Contract 3308) is the contractor appointed to undertake the construction works for the foreign object debris detection system.

China State Construction Engineering (Hong Kong) Ltd. (Contract 3310) is the contractor appointed to undertake the construction work for the North Runway modification works.

Construction works of Contracts 3301, 3302, 3303 and 3307 have been completed.

Names of the responsible persons and their contact details of Contracts 3305, 3306, 3308 and 3310 are set out in **Table 1** below.

2.5 Terminal 2 Concourse and Apron Works Contracts

Wing Hing Construction Co., Ltd. (Contract 3402) is the contractor appointed to undertake enabling works for the new Integrated Airport Centres.

Sun Fook Kong Construction Limited (Contract 3403) is the contractor appointed to undertake building and civil works for the new Integrated Airport Centres.

Shun Hing Systems Integration Co., Ltd. (Contract 3404) is the contractor appointed to undertake the works for the integrated airport control system.

China Road and Bridge Corporation – Bachy Soletanche Group Limited – LT Sambo Co., Ltd Joint Venture (Contract 3405) is the contractor appointed to undertake foundation and substructure works for the Terminal 2 Concourse.

Beijing Urban Construction Group Company Limited and Chevalier (Construction) Company Limited (BUCG-CCCL) Joint Venture (Contract 3408) is the contractor appointed to undertake the construction works for the Terminal 2 Concourse, taxiways, specified sections of eastern vehicular tunnel and associated works.

Construction works of Contract 3402 and 3403 have been completed.

Names of the responsible persons and their contact details of Contracts 3404, 3405 and 3408 are set out in **Table 1** below.

2.6 Terminal 2 Expansion Works Contracts

Build King Construction Ltd. (Contract 3501) is the contractor appointed to undertake the construction works for antenna farm and sewage pumping station.

Build King Construction Ltd. (Contract 3502) is the contractor appointed to undertake Terminal 2 (T2) automated people mover (APM) depot modification works.

Leighton–Chun Wo Joint Venture (Contract 3503) is the contractor appointed to undertake T2 foundation and substructure works.

Gammon Engineering & Construction Company Limited (Contract 3508) is the contractor appointed to undertake T2 expansion works.

Construction works of Contracts 3501, 3502 and 3503 have been completed.

Names of the responsible persons and their contact details of Contract 3508 are set out in **Table 1** below.

2.7 Automated People Mover and Baggage Handling System Works Contracts

CRRC Puzhen Bombardier Transportation Systems Ltd. and CRRC Nanjing Puzhen Co., Ltd. (PBTS – CRRC PZ) consortium (Contract 3601) is the contractor appointed to undertake works for the new Automated People Mover (APM) system (TRC Line).

Niigata Transys Company Ltd. (Contract 3602) is the contractor appointed to undertake the existing APM system modification works.

Vanderlande Industries Hong Kong Limited and Shun Hing Systems Integration Company Limited (VISH Consortium) (Contract 3603) is the contractor appointed to undertake the construction works of baggage handling system (BHS).

Names of the responsible persons and their contact details of Contracts 3601, 3602 and 3603 are set out in **Table 1** below.

2.8 Construction Support Works Contracts

China State Construction Engineering (Hong Kong) Ltd. (Contract 3721) is the contractor appointed to undertake the construction of the infrastructure works and building facilities on the new reclamation area.

Tapbo Construction Company Limited and Konwo Modular House Limited Joint Venture (Contract 3722) is the contractor appointed to undertake the design and construction of support facilities in western support area.

Tapbo Construction Company Limited and Konwo Modular House Limited Joint Venture (Contract 3723) is the contractor appointed to undertake the design and construction of support facilities in eastern support area.

Shun Yuen Construction Company Limited (Contract 3728) is the contractor appointed to undertake the minor site works within the airside and landside areas of the existing airport island.

Wing Hing Construction Co., Ltd. (Contract 3733) is the contractor appointed to undertake the emergency repair service.

K. Wah Concrete Company Limited (Contract 3901A) and Gammon Construction Limited (Contract 3901B) are the licensees appointed to establish, operate, and maintain concrete batching facilities at the Project site.

Gitanes – Crown Asia Joint Venture (Contract 3908) is the contractor appointed to provide services of site management and logistic control of 3RS quays, as well as flat top barge and vehicle delivery services between the launching point in Hong Kong and 3RS quays.

Sinohydro Corporation Limited, Powerchina Airport Construction Company Limited, and Rock-One Engineering Company Limited Joint Venture (Contract 3913) is the contractor appointed to undertake existing asphalt batching facilities and provide, operate as well as maintain associated facilities, plants and equipment at the Project site.

Construction works of Contracts 3722, 3723 and 3908 have been completed.

Names of the responsible persons and their contact details of Contracts 3721, 3728, 3733, 3901A, 3901B and 3913 are set out in **Table 1** below.

2.9 Airport Support Infrastructure Works Contracts

China State Construction Engineering (Hong Kong) Ltd. (Contract 3801) is the contractor appointed to undertake the construction works of APM and BHS tunnels on existing airport island.

Gammon Engineering & Construction Company Limited (Contract 3802) is the contractor appointed to undertake the construction works of APM and BHS tunnels and related works mainly on reclaimed land area.

Beijing Urban Construction Group Company Limited - Beijing Urban Construction International Company Limited - Kin Shing (Leung's) General Contractors Ltd Joint Venture (Contract 3804) is the contractor appointed to undertake the construction works of East Fire Station (EFS) and Landside Fire Station (LFS) on reclaimed land area.

Chinney Construction Co., Ltd. (Contract 3805) is the contractor appointed to undertake the construction of New Airport District Police Operational Base (NPOB) and related works mainly on reclaimed land area.

Construction works of Contract 3801 have been completed.

Names of the responsible persons and their contact details of Contracts 3802, 3804 and 3805 are set out in **Table 1** below.

2.10 Utilities Contract

CLP Power Hong Kong Limited appointed Kum Shing (K.F.) Construction Company Limited (132 kV Cable) to provide service of laying of 132 kV Cable at the Project site.

Penta-Ocean Construction Co., Ltd. (Contract C24W08) to provide sewage upgrading works at the Project site.

Names of the responsible persons and their contact details of 132 kV Cable and Contract C24W08 are set out in **Table 1** below.

2.11 Other Works Contracts

Hong Kong Marine Contractors Ltd. (Contract 3212) is the contractor appointed to undertake the submarine cable diversion works. Wing Hing Construction Company (Contract 3213) is the contractor appointed to undertake the cable diversion enabling works.

Construction works of Contract 3212 and 3213 have been completed.
