Contract CC211 : Viaduct - Tin Shui Wai to Tuen Mun North
Application for Construction Noise Permit (CNP) - Installation of Noise
Enclosure at Lam Tei Area from Pier 63-69

Dear Sirs,

We are the main contractor carrying out the construction work under the captioned Contract, which is one of KCRC West Rail Phase 1 on-going projects.

We have currently undertaken the construction of the superstructures of the viaduct at the above location. One major scope of our work will be the installation of noise enclosure along the LRT Reserve at Lam Tei. In order to avoid any disruption to its services, it is inevitable that the installation works be carried out outside the LRT's operating hours. To facilitate this working schedule, we submit herewith our application for the Construction Noise Permit.

We shall endeavor to mitigate the noise pollution from this operation and annoyance that may cause to the public.

In accordance with Sec. 8(2) of the Noise Control Ordinance Chapter 400, we submit herewith our application for the Construction Noise Permit (CNP) with the following documents necessary for the processing of the said application.

- a) Form 1 [EPD 74A(S)]
- b) Two (2) copies of the Site Plan
- c) Two (2) copies of the NSR Plan
- d) Two (2) sets of photographs for each equipment
- e) Crossed Check payable to HKSAR amounting to HK\$690.00

We sincerely request your kind assistance to consider this application at your earliest convenience.
