

**POWERED MECHANICAL EQUIPMENT FOR WHICH THE PERMIT IS REQUIRED**

Reference should be made to Table 3 - Sound Power Levels for Items of Powered Mechanical Equipment, contained in the Technical Memorandum on Noise from Construction Work other than Percussive Piling, if applicable.

The permit is required for the use of powered mechanical equipment for the following periods of time :

Date : From 02 JANUARY 2002 to 30 APRIL 2002 (inclusive)  
date date

(Maximum duration NOT exceeding 5 calendar months)

- Hours: a. General holiday including Sundays  0700-1900  1900-2100  2100-2300  2300-0700 on next day  
 b. Any day not being a general holiday  1900-2100  2100-2300  2300-0700 on next day  
 OR : c. State any particular hours during which construction noise permit is required :

List of powered mechanical equipment to be used on site :

Identification code of item of powered mechanical equipment (if applicable)	Description of item of powered mechanical equipment	No. of units
---	---	--------------

P 048

CNP 103

MOBILE CRANE (DIESEL)

GENERATOR SUPER SILENCED TO 45(A) at 7m
