REPROVISION OF BRIDGES D1 AND T IN WEST KOWLOON
Environmental Permit No. EP-414/2011
Monthly Audit Report – January 2019

Date of Audit: _____ N/A

At this stage, there is no construction activity in this works area of the project under EP-414/2011. Therefore, there was no monthly site audit carried out. This site has been handed over to Highways Department since 1 November 2018 for the Central Kowloon Route (CKR) Project, and the EM&A works under this EP will be suspended until resumption of the relevant construction activity.
