1. Introduction

1.1 Background

1.1.1 The Environmental Impact Assessment (EIA) Report (Register No.: AEIAR-196/2016) prepared for the “Tung Chung New Town Extension” (hereinafter referred to as “the Project”) has been approved by the Director of Environmental Protection, and an Environmental Permit (EP) (Permit No.: EP-519/2016) has been issued for the project under the Environmental Impact Assessment Ordinance. The submission of Management Organisations has been prepared in accordance with Condition 2.11 of the EP with the following information which include organisation charts, names of responsible persons and their contact details:

- (a) the management organisation of the main construction companies and/or any form of joint ventures associated with the construction of the Project;
- (b) the management organisation of the Environmental Team (ET);
and
- (c) the management organisation of the Independent Environmental Checker (IEC) and the supporting team.

1.1.2 The development of Tung Chung New Town Extension (TCNTE), comprising Tung Chung East (TCE) and Tung Chung West (TCW), is a mega-scale and complex project aiming to provide land to meet the future housing economic and social development needs of Hong Kong. Due to the fact that the proposed works are geographically separated, the implementation of mega-scale Project is divided into two packages, namely TCE and TCW respectively. In accordance with the tight delivery programme, the Project will be implemented in phases under separate contracts for the developments of TCE and TCW. This submission only covers the management organizations for TCE. The management organizations for TCW can be found at the dedicated project website: <https://www.env.tcnte-west.hk/en/ep-submissions.html>.

1.1.3 This submission will be revised if there is any update of the details of the management organization for TCE.

2. Management Organisation of the Main Construction Companies

2.1 Tung Chung New Town Extension – Reclamation and Advance Works (Contract No. NL/2017/03)

2.1.1 Build King – SCT Joint Venture (BKSCTJV) is the contractor appointed to undertake the reclamation works in Tung Chung East and the advance works for the Project. Names of the responsible persons and their contact details are set out in **Table 1** below.

Table 1: Contact Information of the Main Construction Companies

Name	Position	Telephone	Email
W.T. Ho	Project Manager	6111 2176	wtho@nl201703-bsjv.com
