Dear Sir,

Contract No. DC/2018/05
Relocation of Sha Tin Sewage Treatment Works to Caverns –
Site Preparation and Access Tunnel Construction
Environmental Permit No. EP-533/2017
Updated Plan for Measures to Mitigate Traffic Noise from Ma On Sha Road

Further to our letter ref. CDT/LT/PM/2021/4275 dated 30 March 2021 and pursuant to Clause 2.22 of the Environmental Permit, we would like to provide an updated drawing no.: 60334056/C1/SK0521A showing the location, dimensions and programme of works for the proposed noise barrier works for your information.

Kindly please pass this plan to the ET Leader and IEC for certification and verification respectively, prior to submitting to EPD.

Yours faithfully,
For and on behalf of
China State Joint Venture

Dear Mr. Leung,

Re: **Contract No. DC/2018/05**

Relocation of Sha Tin Sewage Treatment Works to Cavern - Site Preparation and Access Tunnel Construction
Verification of Updated Plan for Measures to Mitigate Traffic Noise from Ma On Shan Road

We refer to the letter (ref. CDT/LT/PM/2021/4420) dated 27 April 2021 from the Contractor (China State Joint Venture) and the letter of certification from the Environmental Team Leader (ref. LES/J2021-03/CS/L007) dated 28 April 2021 regarding the Updated Plan for Measures to Mitigate Traffic Noise from Ma On Shan Road.

Please be informed that we have no comment on the Updated Plan and hereby verify it as conforming to the information and recommendations contained in the approved EIA Report (Register No. AEIAR-202/2016), in accordance with Condition 2.22 of Environmental Permit No. EP-533/2017.

Thank you for your attention.

Yours sincerely,
For and on behalf of
