Notes :

1. 圖中顯示了隧道定線範圍及初期設計的定線，而定線有機會在詳細設計時作輕微更改。
1. The figure shows the Scheme Design Alignment along with a potential alignment envelope as slight modifications to the alignment will occur during detailed design.
2. 更改隧道定線不會縮近與敏感地區的距離，因此工程項目簡介內的研究結果不會改變。
2. Modifications to the alignment will not reduce the distances from the sensitive receivers and thus will not alter the findings of the project profile.
