

Compensatory Planting for Cyberport Development at Telegraph Bay  
(Extracted from Appendix 9.6, Volume 18, the EIA report)

Area and locations available for compensatory planting. This appendix also contains a map showing the locations of the suggested compensatory tree planting.

The areas suggested for compensatory planting of trees includes cut slopes located at Telegraph Bay, Waterfall Bay and below Daglo Villas. Compensatory planting could also be made along the proposed buffer zone separating Route 7 with the proposed development at Telegraph Bay. Additionally there will also be roadside locations within the development site available for compensatory tree planting as part of the landscape design.

Area No.	Location	Approximate Area Available (ha)
1	Waterfall Bay	0.63
2	Waterfall Bay	0.40
3	Waterfall Bay	0.18
4	Total Area at Waterfall Bay	1.21
5	Telegraph Bay	0.16
6	Telegraph Bay	0.10
7	Total Area at Telegraph Bay	0.26
8	Below Daglo Villin	0.10
	Below Daglo Villin	0.035
	Total Area below Daglo Villas	0.135
	Buffer Zone between Route 7 and Housing Development	0.6
	Approximate Area Available (ha)	2.2
