

Project Title: Black Point Gas Supply Project

**Reference of the Approved EIA Report in the Register: AEIAR-150/2010
Conditions of Approval under Section 8(3) of the EIA Ordinance (the Ordinance)**

The EIA Report as exhibited under Section 7(1) of the Ordinance is approved by the Director of Environmental Protection with the following conditions:

1. The Applicant shall seek the agreement of relevant authorities on the waste disposal plan for contaminated marine sediment generated by the project, and submit the waste disposal plan to the Director before commencement of the construction of the project.
2. The Applicant shall liaise and secure the agreement of the Marine Fill Committee (MFC) of the Civil Engineering & Development Department and other relevant authorities for the disposal site(s) / option(s) for the disposal of contaminated marine sediment generated by Phase 2 of the project as described in the EIA Report (AEIAR – 150/2010). Prior to the application of Environmental Permit under the EIA Ordinance for Phase 2 of the project, the Applicant shall inform the Director of the agreed disposal site(s) / option(s) which have been confirmed by the MFC and other relevant authorities.
