

Project Title: Cross Bay Link, Tseung Kwan O

Reference of the Approved EIA Report in the Register : AEIAR-172/2013
Conditions of Approval under Section 8(3) of the EIA Ordinance (the Ordinance)

The EIA report as exhibited under Section 7(1) of the Ordinance is approved by the Director of Environmental Protection with the following condition:

- (a) The project proponent should set up community liaison groups (CLGs) comprising representatives of affected parties, including local committees, residents and schools in the affected areas along the route alignments, to facilitate communications, enquiries and complaint handlings on environmental issues related to the project. Respective community liaison teams and designated complaint hotlines should be set up for the project to address related concerns and enquiries in an efficient manner. The proponent should also follow up with the respective CLGs on the implementation of mitigation measures as necessary.
