- Annex F1 Operational Noise Sensitive Receivers
- Annex F2 Justification of Area Sensitivity Ratings
- Annex G Operational Noise Calculations
- Annex H Hazard Assessment : Supporting Data
- Annex I Recommended Air & Noise Monitoring Locations

1. PREFACE

1.1 Tai Wai to Ma On Shan - Environmental Impact Assessment : Volume 2 - Technical Annexes

These Technical Annexes should be read in conjunction with the *Tai Wai to Ma On Shan - Environmental Impact Assessment : Volume 1 - Main Report*.

This document contains supporting technical information relating to the assessments reported in the *Tai Wai to Ma On Shan - Environmental Impact Assessment : Volume 1 - Main Report*, but which is not directly relevant to the findings therein.
