 Review of Night Time X-Border Traffic Flows

Please find enclosed the X-border traffic flows in 2006 during 22:00-23:00 and 06:00 to 07:00 hours respectively for your assessment.

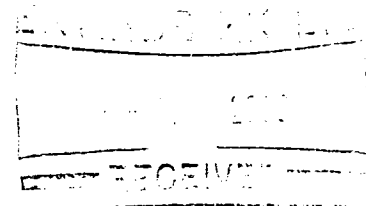

Please note that a paper to summarise the methodology and the results of our traffic forecast will be provided and submitted to TD very soon. If you have any queries or comments on the flows please kindly inform us as soon as possible.

Should you have any other queries or require further information, please feel free to contact us.

Thanks & Regards,

Stephen Ching
