

HA TSUEN PUMPING STATION

- Existing Pumping Station boundary shown outlined in red and proposed extension works outlined in blue.
- The site is surrounded by urban development – high-rise buildings of Tin Shing Court, mullah, two highways (Ping Ha Road and Tin Ying Road) and the open storage container yards beyond.
- Extension works will impact on the stand of mixed woodland and lawn within the site.

SAN WAI SEWAGE TREATMENT WORKS

- Existing Sewage Treatment Works boundary shown outlined in red and proposed extension works outlined in blue.
- The site is surrounded by container yards to the east, ponds to the north and to the west and south by disturbed ground with mixed woodland and scrub grassland hillside beyond.
- Extension works will impact on the two ponds to the north and a portion of the open storage area to the east.
