

LEGEND

-  Study Area Boundary (500m Radius)
-  Landscape Character Unit
-  Hillside Woodland
-  Hillside Scrub / Grass Cover
-  Significant Amenity Tree Planting / Remnant Woodland
-  West Rail (under construction)
-  Deep Bay Link (alignment under design)
-  Anticipated development 'footprint' of HKSND (Extract from HKSND Zoning Plan)

Significance Threshold of Residual Impacts

-  N/A Significant Impact
-  Moderate Impact
-  Slight Impact
-  Negligible Impact
-  Nil Impact

Note: Significance threshold values for visual impacts are the same in this study for construction and operation stages (refer Tables 11.1 and 11.3)

UPGRADING & EXPANSION OF SAN WAI SEWAGE TREATMENT WORKS AND HA TSUEN PUMPING STATION

FIG. 11.3 MAPPING OF LANDSCAPE IMPACTS
