Dear Sir,

Agreement No. CE 43/2005 (EP)
Harbour Area Treatment Scheme (HATS) Stage 2A
Environmental Impact Assessment Study – Investigation
Hazard Assessment in EIA Study – Vibration Limit
for Ap Lei Chau Shell Depot

As per the tele-conversation between our Matthew Hung and your goodself on 29 January 2008, the previous letter (our ref. 60017194/C/hyym801241) dated 24 January 2008 will be superseded by this letter. Please be advised that the proposed Ground Vibration Allowable Limit is **5mm/s Peak Particle Velocity (PPV)** for Ap Lei Chau Shell Depot Hazard Assessment which is adopted in the Hazard to Life section of the EIA report for the captioned study for your information.

Should you have any queries, please do not hesitate to contact our Ms. Benita Kung at 3105 8631 or the undersigned at 3105 8268.

Yours faithfully,

Freeman Cheung
Project Manager

30 January 2008

Dear Sir,

Agreement No. CE 43/2005 (EP)
Harbour Area Treatment Scheme (HATS) Stage 2A
Environmental Impact Assessment Study – Investigation
Hazard Assessment in EIA Study – Vibration Limit & Ground
Settlement Limit for Aberdeen HKCG Depot

As per the tele-conversation between our Matthew Hung and your goodself today, the previous letter (our ref. 60017194/C/hyym801241) dated 24 January 2008 will be superseded by this letter. Please find below the Ground Settlement Limit & the Vibration Limit for Aberdeen HKCG Depot Hazard Assessment which is adopted in the Hazard to Life section of the EIA report for the captioned study. For your information, the Ground Settlement Limit is based on expert advice as provided by our geotechnical team, and the Vibration Limit has been confirmed with HKCG through the letter dated 19 July 2007 (your ref. NO-1/a02/07/00452/YLC).

Item no.	Monitoring Type	Proposed Allowable Limit
1	Ground Settlement	13mm
2	Ground Vibration	5mm/s Peak Particle Velocity (PPV)

Should you have any queries, please do not hesitate to contact our Ms. Benita Kung at 3105 8531 or the undersigned at 3105 8268.

Yours faithfully,

Freeman Cheung
