

approved the implementation of noise abatement measures in 239 aided schools in the third stage of the programme. These schools were affected by traffic noise at levels between 66 and 75 dB(A) Leq. D Arch S expects to complete the second and third stages of the programme in the 1996 Easter vacation.

11. The fourth stage of the programme will cover another 184 aided schools which are affected by traffic noise in excess of 65 dB(A) Leq. In addition, D of B has identified 14 government schools which also require noise abatement measures. He will submit a separate proposal for the improvement works in these 14 government schools under the Public Works Programme.
