

Existing View from West – Po Leung Kuk Ngan Po Ling College

The proposed pigging station will be situated in a fenced-off area bound by solid boundary wall (3m height) on 4 sides. The entire site covers an area of approximately 662 square metres. There will be an instrument room inside the proposed gas pigging station and it is a simple structure of about 7m long x 5m wide and with height not exceeding 5m after installation of some equipment on its top such as CCTV camera, air conditioner and solar panels, etc. The instrument room itself is not exceeding 5m in height.

View from West – Po Leung Kuk Ngan Po Ling College with Proposed Pigging Station

Notes: The future school is indicative and shown for context only (to be completed by others)
