Dear Sirs,

**Agreement No. CE 29/2008(EP)**  
**Engineering Investigation and Environmental Studies for**  
**Integrated Waste Management Facilities Phase 1 – Feasibility Study**

**Forecast Traffic Flow for Environmental Impact Assessment**

I refer to your letter dated 26 November 2010 enclosing a supplementary paper and traffic figures for the captioned subject.

Please note that the average annual growth rate of vehicle trips attached in my previous letter dated 27.10.2010 is for your reference. I am not in position to provide comments on your traffic figures tailor-made for environmental assessment purposes.

Yours faithfully,

  
(WONG Kwok Leung)

Subject IWMF Modelling Approach and Methodology

Dear Mr. Wong,

Thanks for your comments and reply on both letters dated 27 Oct and 3 Dec.

Your comments provided for the letter dated 27 Oct 2010 have been incorporated in our proposed modeling approach and methodology as shown on the letter dated 26 Nov 2010. All traffic data was established according to the modeling approach and methodology.

From our understanding, your department has no further comments on our proposed modeling approach and methodology as shown on the letter dated 26 Nov 2010.

Thanks  
Best Regards  
Samuel SZE
