PHOTOMONTAGE 2D

UPON COMPLETION OF THE PROPOSED WKCD DEVELOPMENT (YEAR 10)

PHOTOMONTAGES 2C AND 2D - VIEWPOINT 2 (CENTRAL STAR FERRY PIER NO. 7)

Notes: These photomontages are for illustrative purpose only, and do not necessarily reflect the final appearance of the WKCD facilities, as individual facilities will be subject to design competition and/or development by others. All marine facilities such as the possible piers and possible art pontoon are subject to the requirements under Protection of Harbour Ordinance (Cap.551) and agreement with Harbourfront Commission. Design of the terraces gardens would be subject to the future architectural design, but as they serve as public open space, they will be freely and universally accessible by the general public. The locations for roof top gardens, green roofs, wind turbines and solar panels are also indicative only and will be subject to the changes during detailed design stage.
