Dear Sir,			DWG/CD KEPTBY()

Agreement No. CE 44/2011 (HY)

Proposed Road Improvement Works in West Kowloon Reclamation Development – Phase 1 Investigation, Design and Construction

Availability of Marine Disposal Sites for Proposed Sediment Removal

We refer to your letter of 21 May 2013 and the email from your Mr. Alvin Yuen on the same day advising the completion of the project in end 2015.

2. Given that the estimated quantity of marine sediment disposal is approximately 1,000 m³, we shall reserve adequate space for the disposal the sediment stemming from your project until end 2015. We awiat your advice on the classification of the sediment before we can proceed further to the allocation of sediment disposal space.

Yours faithfully,

(Derek Lau) for Secretary, Marine Fill Committee Civil Engineering and Development Department
