Subject: Re: Agreement No. CE 15/2010 (DS) Upgrading of Cheung Chau and Tai O Sewage Collection, Treatment and Disposal Facilities
Attachments: Cheung Chau.xls; Tai O.xls

Dear Mr. Lee,

Your requested information of registered chemical waste producers are attached in below. Please note that the lists are compiled based on information currently held in our database. Some Chemical Waste Producers may have already changed their status without informing EPD.

There is no chemical spillage/leakage incident records in Cheung Chau and Tai O.

**Agreement No. CE 15/2010 (DS) Upgrading of Cheung Chau and Tai O Sewage Collection, Treatment and Disposal Facilities
EIA Study Land Contamination
Request for Information – Chemical Waste Producers and Chemical/Incidents Records**

Dear Sirs,

Atkins China Ltd (ACL) in December 2010 have been commissioned by DSD to the Design and Construction of Upgrading of Cheung Chau and Tai O Sewage Collection, Treatment and Disposal Facilities (Agreement No. CE 15/2010 DS). EIA studies including land contamination assessments are required under this Agreement.

For the EIA study, we would like to request your most up to date records with the following information:

- (1) License/registration of any properties within the Study area as chemical waste producer.
- (2) Chemical spillage/leakage incident records for any properties within the Study area.

The existing information we have from the investigation stage are copied below for quick reference:
