Dear Sir,

Ocean Park Tai Shue Wan Development Traffic Forecasts for Environmental Impact Assessment (EPD comment)

I refer to my letter to you dated 4 April 2014 and your email of 17 April 2014.

Provided that the technical note is based on the guidelines of "Notes for estimating long term traffic flows for Environmental Assessment Study (EAS) of local development, and that the traffic model for has been properly built as described in the technical note, I have no comment on the traffic model methodology for preparation of the traffic forecast for the EIA assessment.

Yours faithfully,

(TAM Kwai-fan, Irene)
 for Commissioner for Transport
