In-site Re-provisioning of Sha Tin Water Treatment Works – South Works
Design and Construction**

Revised Waste Management Section of EIA Submission

I refer to your MUR.

2. It is noted that the revised C&DMMP has been endorsed by WSD Vetting Committee on C&DMM and the revised waste management section of the EIA submission is consistent with the revised C&DMMP. We have no comment on the revised C&DMMP and the revised waste management section of the EIA submission.

(Samuel C S MOK)

for Secretary, Public Fill Committee
Civil Engineering and Development Department
