Dear Sirs

Agreement No.CE8/2012(HY)
Flyover from Kwai Tsing Interchange Upramp to Kwai Chung Road – Investigation
Request for Information – Records of Registered Chemical Waste Producers and Historical
Records of Chemical Spillage / Leakage

We, URS Hong Kong Ltd (formerly Scott Wilson Ltd), are currently undertaking a development project at the captioned location (as shown on the enclosed location plan) on behalf of Civil Engineering and Development Department and preparing an Environmental Impact Assessment (EIA) in accordance with the EIA Study Brief (ESB-242/2012) issued in April 2012 (as per the enclosed Letter of Appointment).

In order to facilitate our land contamination assessment, it would be grateful if the following information at our Site could be provided:

- (i) Current and past records of registered chemical waste producer; and
- (ii) Historical records of chemical spillage / leakage.

Due to tight programme of the captioned project, it is appreciated if the abovementioned information could be available by 8 November 2013.

We thank you in anticipation for your kind assistance. Should you have any queries, please feel free to contact our Mr Rodney Ip at 2410 3750 or our Dr Alex Cheung at 2410 3796.

Yours faithfully
URS Hong Kong Ltd

Dear Mr. CHU,

Agreement No. CE 8/2012 (HY)
Flyover from Kwai Tsing Interchange Upramp to Kwai Chung Road Interchange –
Investigation
Request for Information – Records of Registered Chemical Waste Producers and
Historical Records Chemical Spillage/Leakage

I refer to your above referenced letter dated 31 October 2013. The information that you requested are set out below for your easy reference:

(i) *Current and past records of registered chemical waste producer*

According to our records, there is only one registered chemical waste producer near the proposed widening along Tsuen Wan Road and the details are as below:

Name of Registered Chemical Producer	Director of Civil Engineering
Premises where the waste is produced	Public Works Regional Laboratory (Tsuen Wan), Container Port Road South, Kwai Chung, N.T.
Nature of Business	Material Testing
Major Chemical Waste Type	Methylene Chloride
Waste Producer Number	WPN 0009-320-C2192-12

(ii) *Historical records of chemical spillage/leakage.*

According to our records, there is no record of chemical spillage/leakage in your proposed site areas.

Yours faithfully,

(K. W. CHENG)

for Director of Environmental Protection

Dear Sirs

Agreement No.CE8/2012(HY)
Flyover from Kwai Tsing Interchange Upramp to Kwai Chung Road – Investigation
Request for Information – Current and Past Land Uses

We, URS Hong Kong Ltd (formerly Scott Wilson Ltd), are currently undertaking a development project at the captioned location (as shown on the enclosed location plan) on behalf of Civil Engineering and Development Department and preparing an Environmental Impact Assessment (EIA) in accordance with the EIA Study Brief (ESB-242/2012) issued in April 2012 (as per the enclosed Letter of Appointment).

In order to facilitate our land contamination assessment, it would be grateful if the following information at our site could be provided:

- (i) Current and past land uses of the site with duration (parts of information were provided to us under your letter ref. (28) in DLO/TWKT/KT 1/650/09 dated 19 April 2013); and
- (ii) Reported land contamination issues (eg. chemical / dangerous goods spillage / leakage), if any.

Due to tight programme of the captioned project, it is appreciated if the abovementioned information could be available by 8 November 2013.

We thank you in anticipation for your kind assistance. Should you have any queries, please feel free to contact our Mr Rodney Ip at 2410 3750 or our Dr Alex Cheung at 2410 3796.

Attachments: Land Status Checklist - 1 650 09.pdf

Dear Connie

I refer to the letter dated 31 October 2013 from URS H.K. Ltd. and your preceding email dated 26 November 2013 concerning the captioned project.

A copy of land status report is enclosed for your information. The proposed works will affect the Remaining Portion of Mass Transit Railway ("MTR") Lot No. 1. The project proponent is required to avoid encroachment onto the lot and seek MTRCL's agreement on the captioned project. Please note that this office has no records showing any reported land contamination issues.
