Dear Ms. TSE,

**Agreement No. CE 31/2014 (CE)**  
**Engineering Study for Police Facilities in Kong Nga Po – Feasibility Study**  
**Technical Note on Traffic Forecast for Environmental Impact Assessment**

Your letter dated 19 December 2015 enclosing the responses to our comments on the captioned technical note is referred.

Our Transport Planning Division has no comment on the traffic forecast approach for the captioned report. You might find our reply showing no comment on the **Traffic Impact Assessment** and the associated **Technical Note** for this study, via letter dated 11 January 2016. Please update your traffic forecast for the captioned report if necessary.

For **Table 1.1**, some roads (e.g. Man Kam To Road) have different configurations for different segments, so as the capacities. Please review the respective capacity of each concerned road segment.

Please note that our relevant regional offices might have separate comment.

Yours faithfully,

(YAU Chun-wing)
