Dear Ms. Tse

Agreement No. CE 31/2014 (CE)

Engineering Study for Police Facilities in Kong Nga Po – Feasibility Study
Request for Information – Existing/Planned chimney emissions

I refer to your email which was received on 24 July 2015, requesting for the information of existing/planned chimney emissions within 500 meters assessment area of the project site.

Please be informed that we have no records of specified processes with chimney at the concerned assessment area up to the date of this letter. Please also note that a register of Specified Processes Licence under Air Pollution Control Ordinance is open for inspection by the public during normal office hours in the department. The register contains prescribed particulars such as registered name, location, etc.

If you would like to inspect this register, you may approach our regional offices.

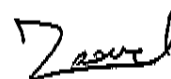

For the air pollution sources that are not registered under Specified Processes Licence, please be reminded that survey should be carried out by your company.

While we have made a reasonable effort to ensure the completeness and accuracy of the information provided, you should comprehend that the information is provided as is and EPD is not responsible or liable for any claim, loss or damage resulting from the use of this information.
