

Simulated Depth Averaged Dissolved Oxygen Distribution
Baseline (upper), Normal Condition (middle), Difference between
Baseline and Normal Condition (lower).

Dry Season

Figure 5D-1

DSD & ATKINS

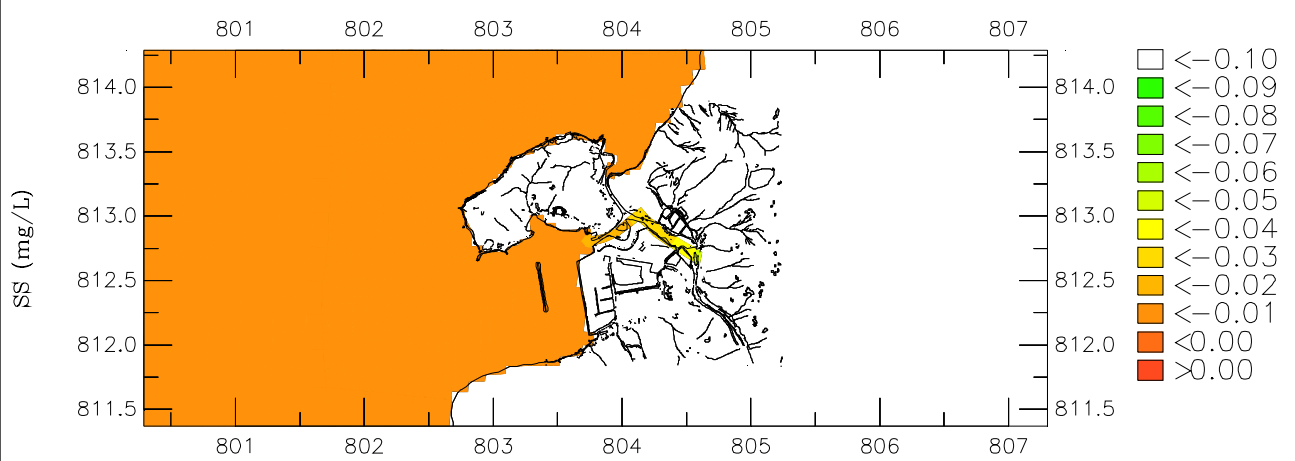

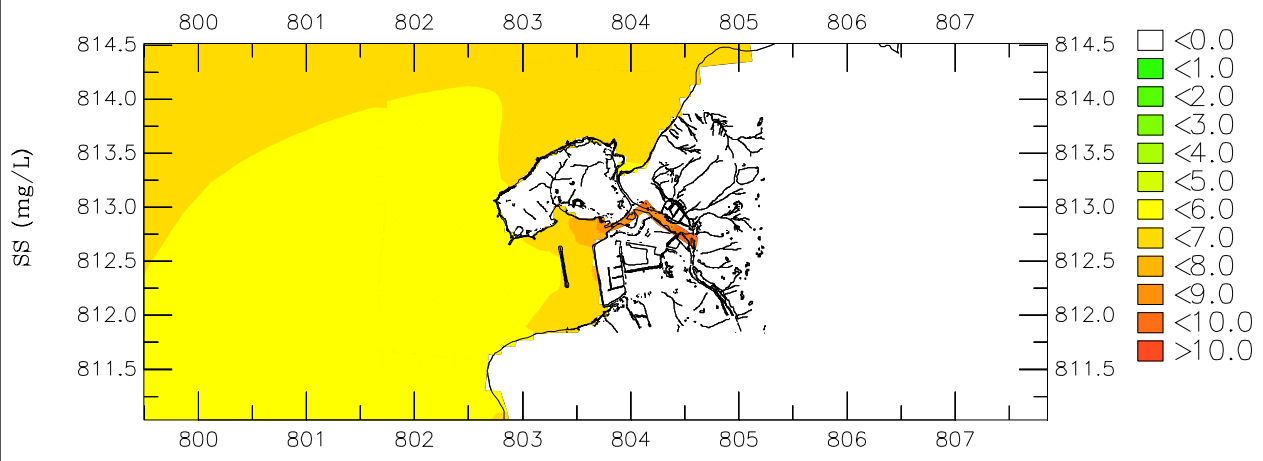

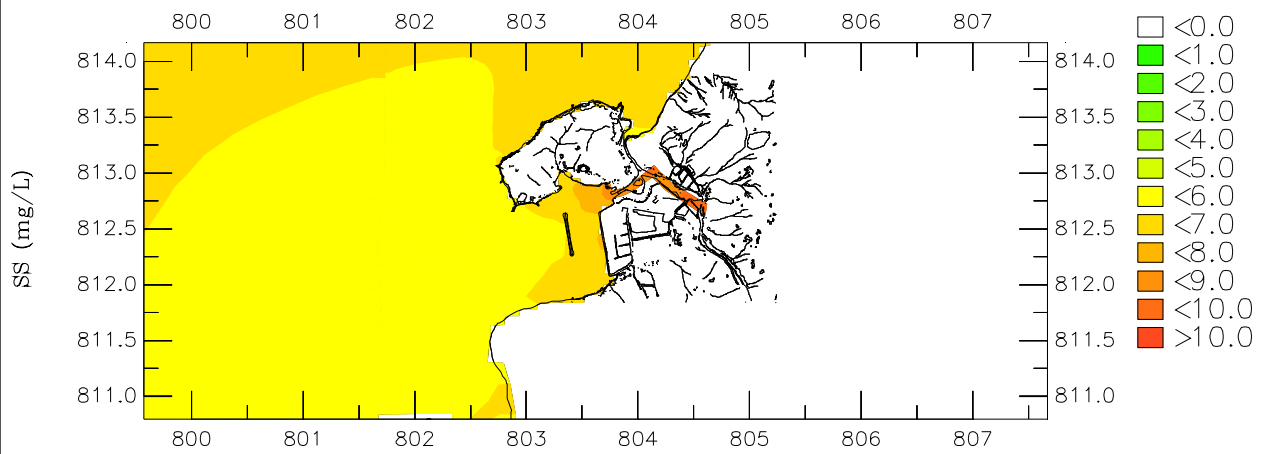

Simulated Bottom Dissolved Oxygen Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Dry Season

Figure 5D-2

DSD & ATKINS

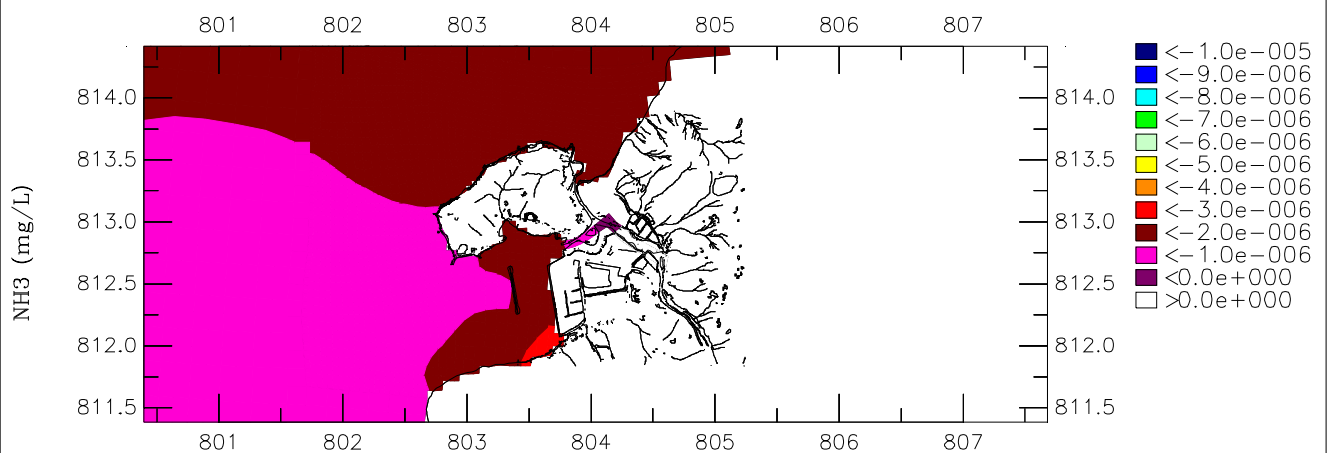

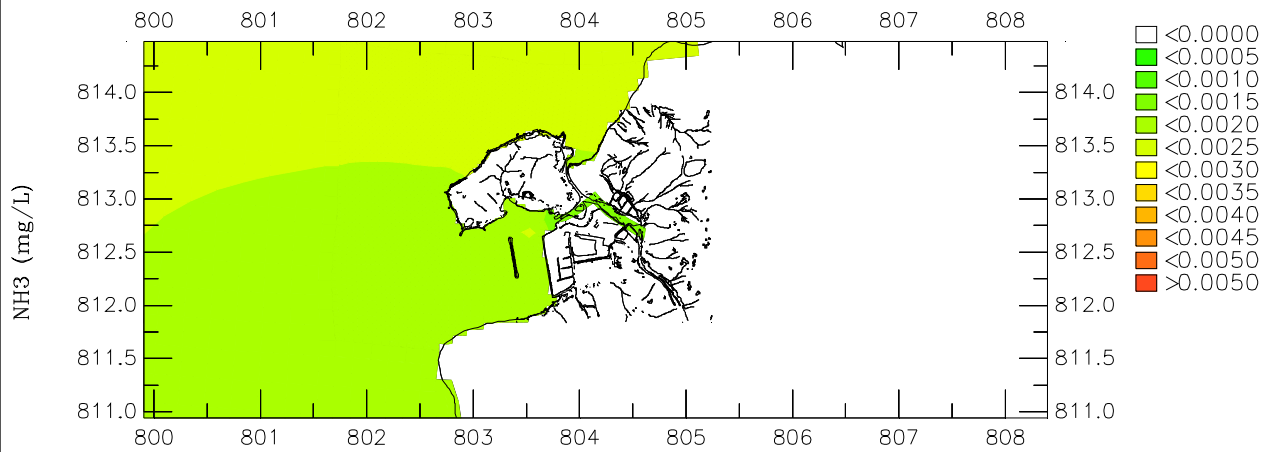

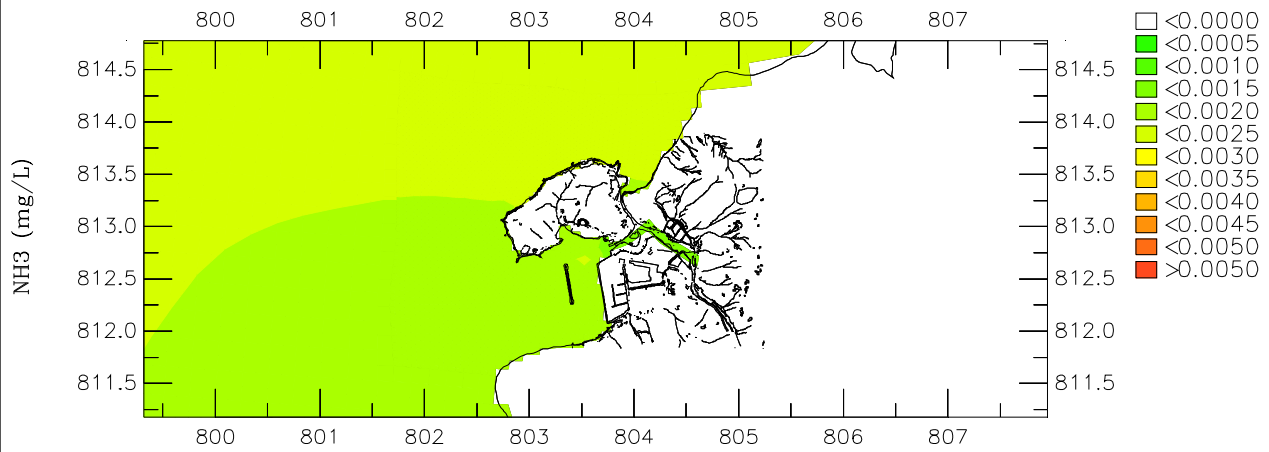

Simulated Depth Averaged Suspended Solids Distribution
Baseline (upper), Normal Condition (middle), Difference between
Baseline and Normal Condition (lower).

Dry Season

Figure 5D-3

DSD & ATKINS

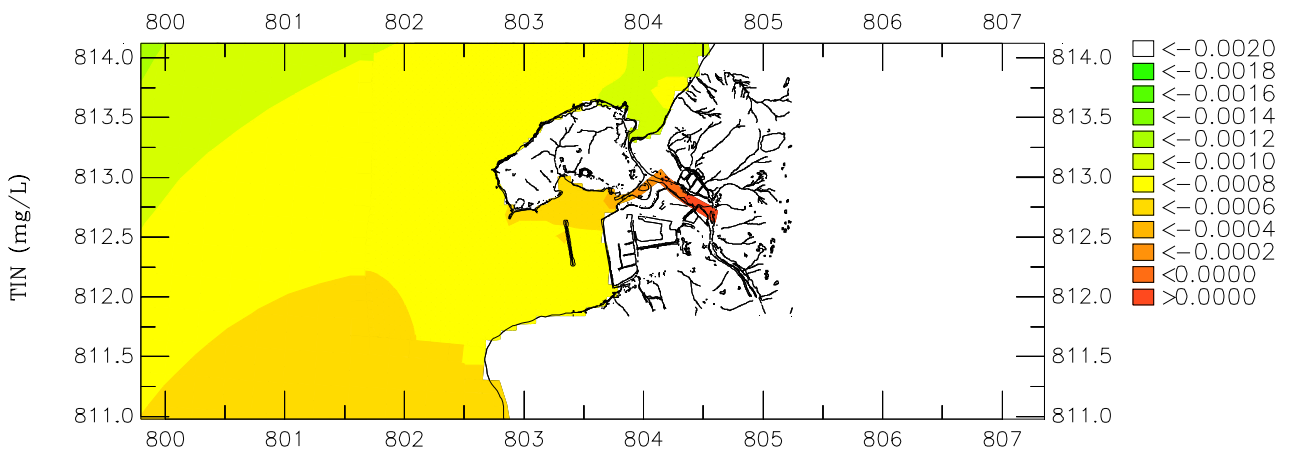

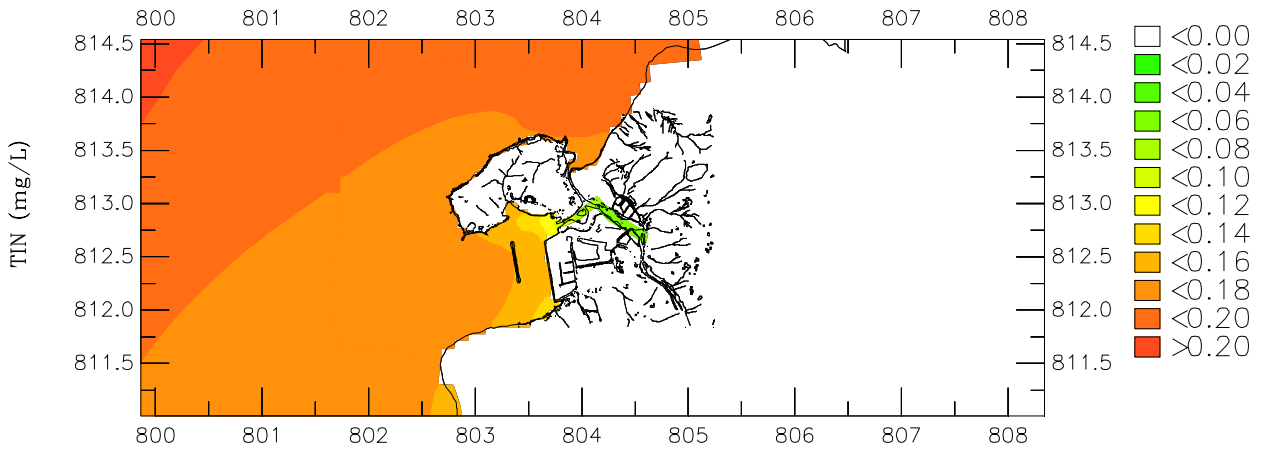

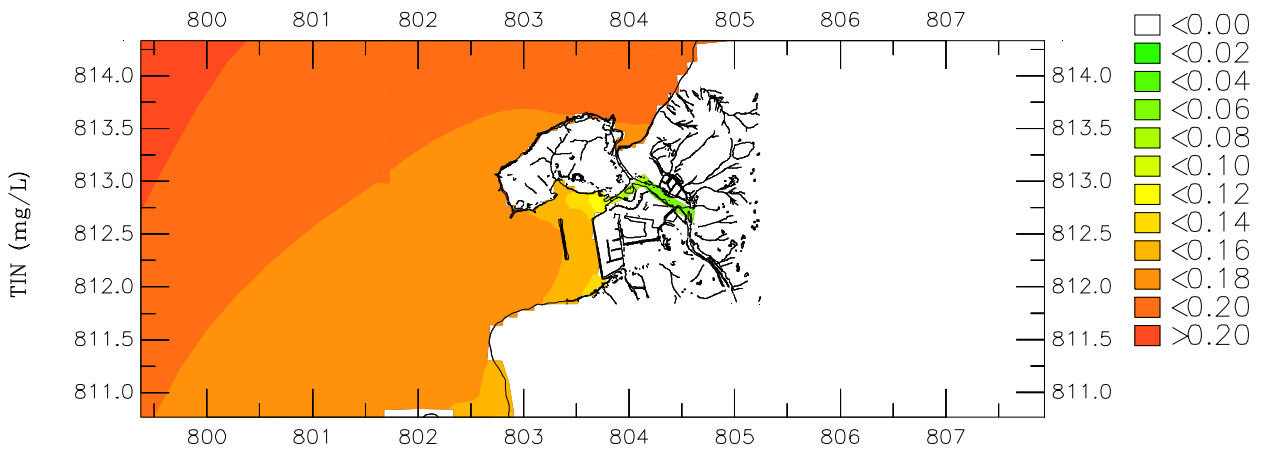

Simulated Depth Averaged NH3 Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Dry Season

Figure 5D-4

DSD & ATKINS

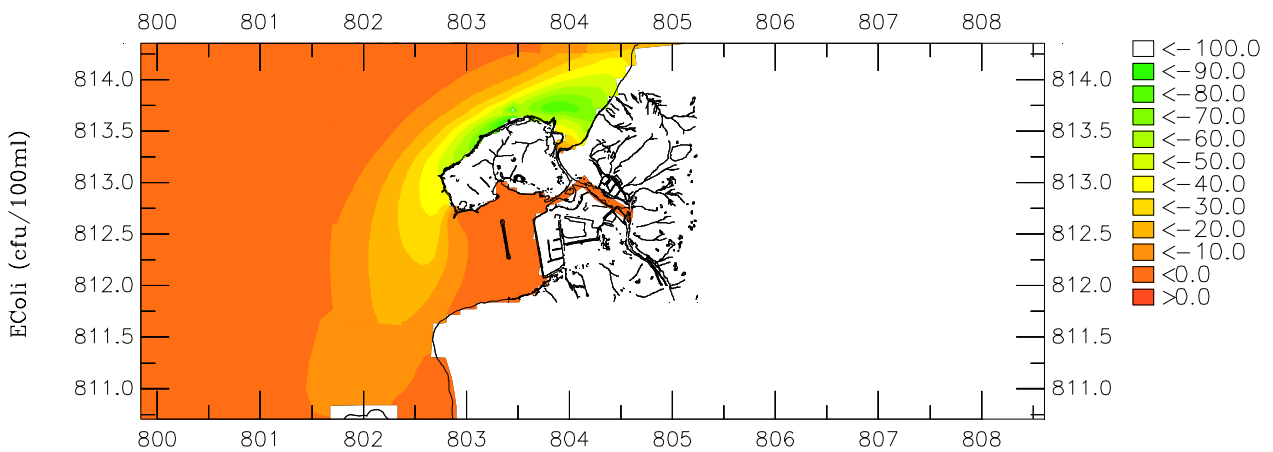

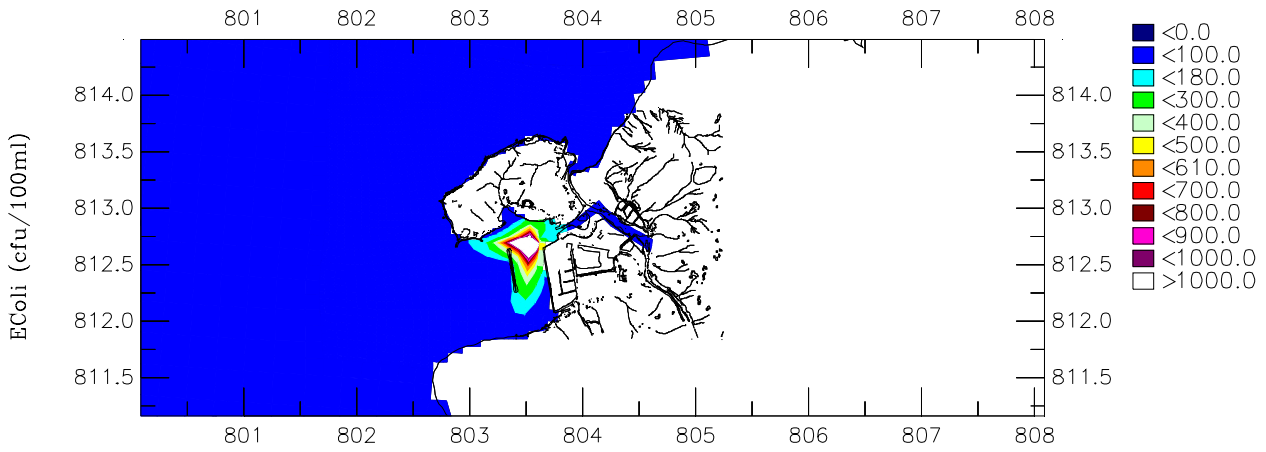

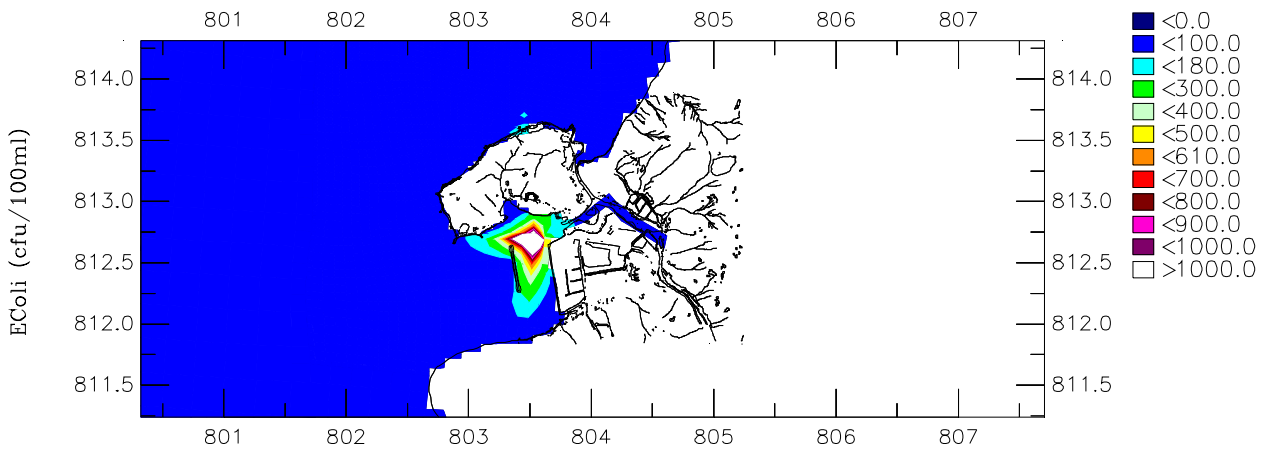

Simulated Depth Averaged TIN Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Dry Season

Figure 5D-5

DSD & ATKINS

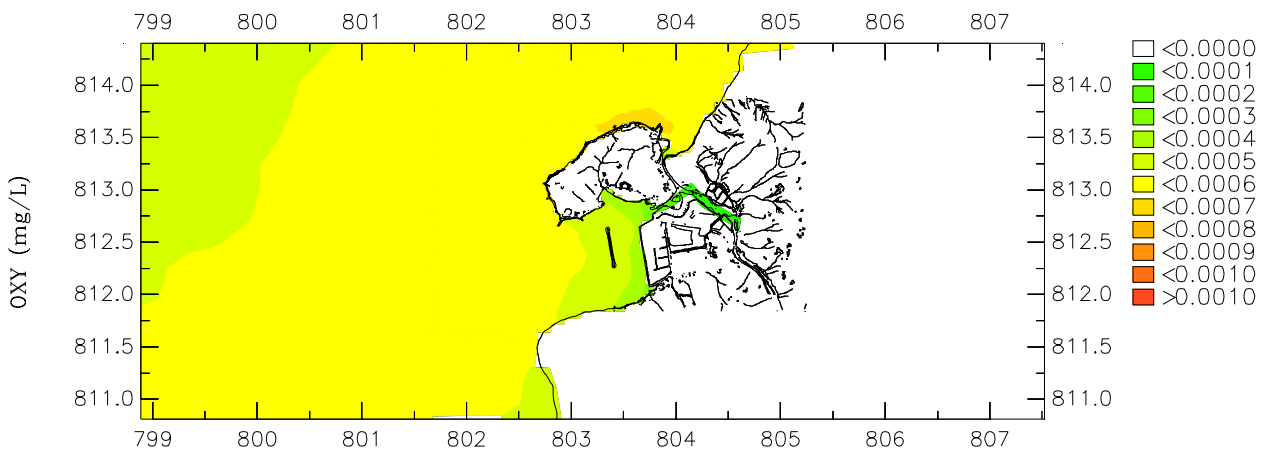

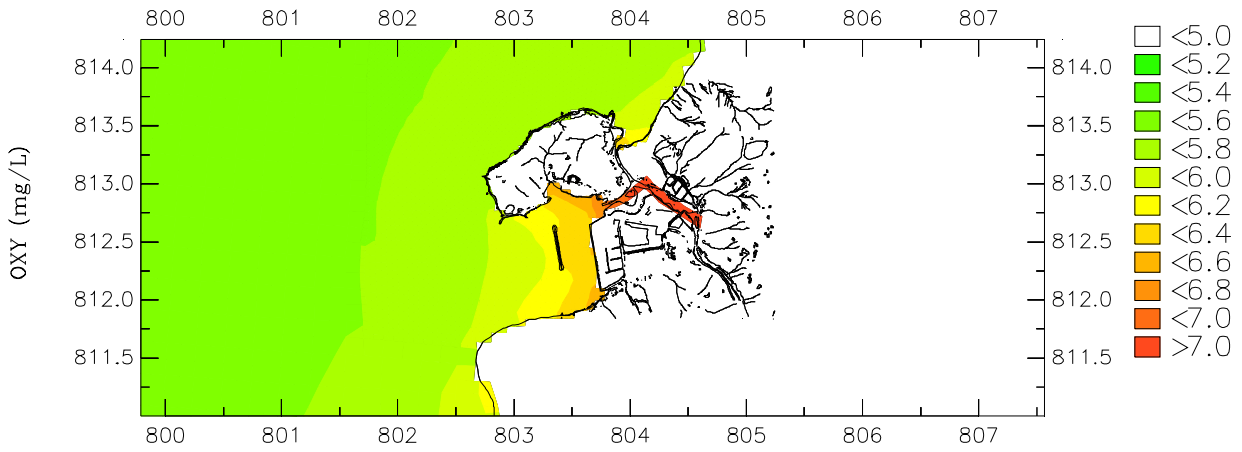

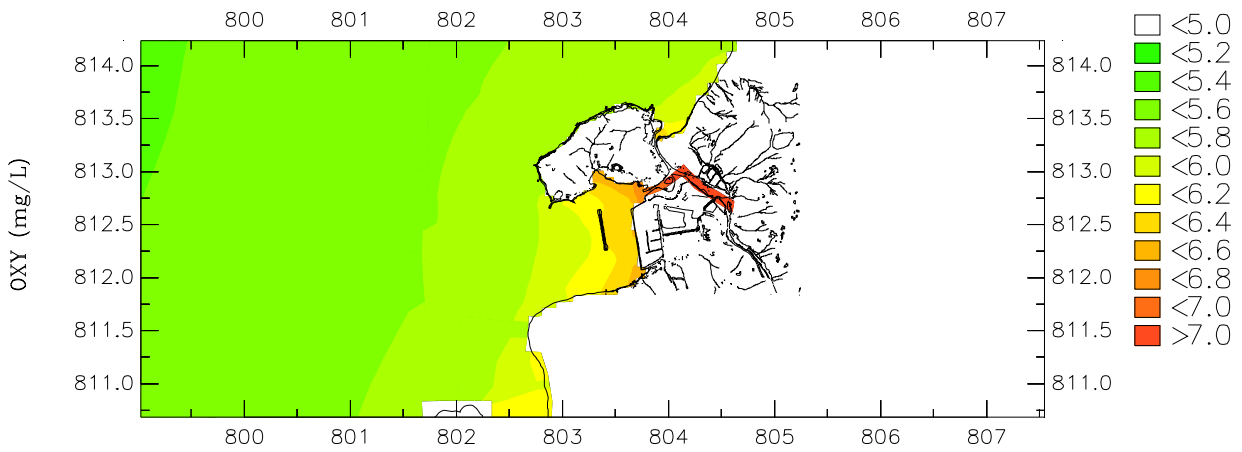

Simulated Depth Averaged EColi Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Dry Season

Figure 5D-6

DSD & ATKINS

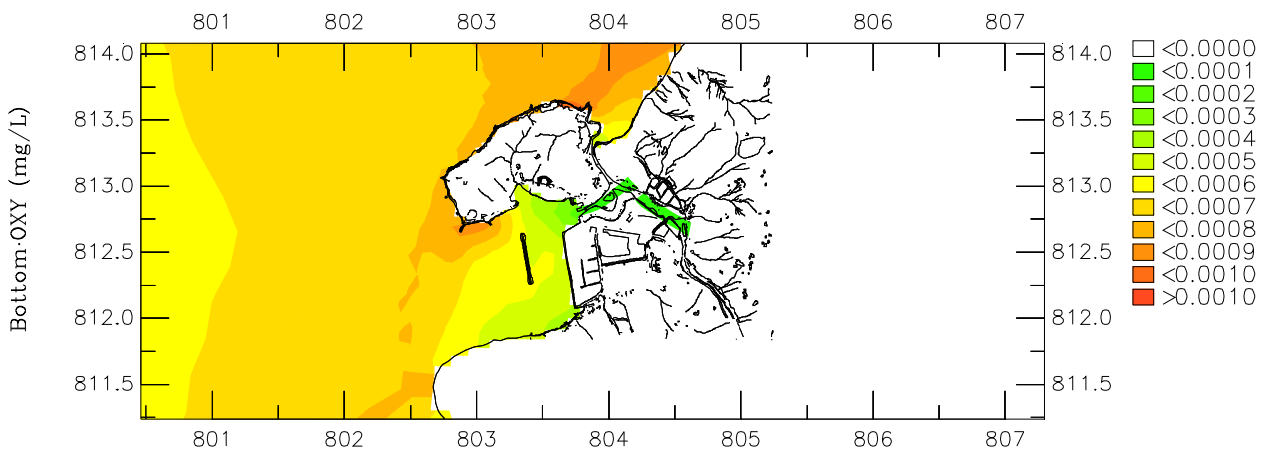

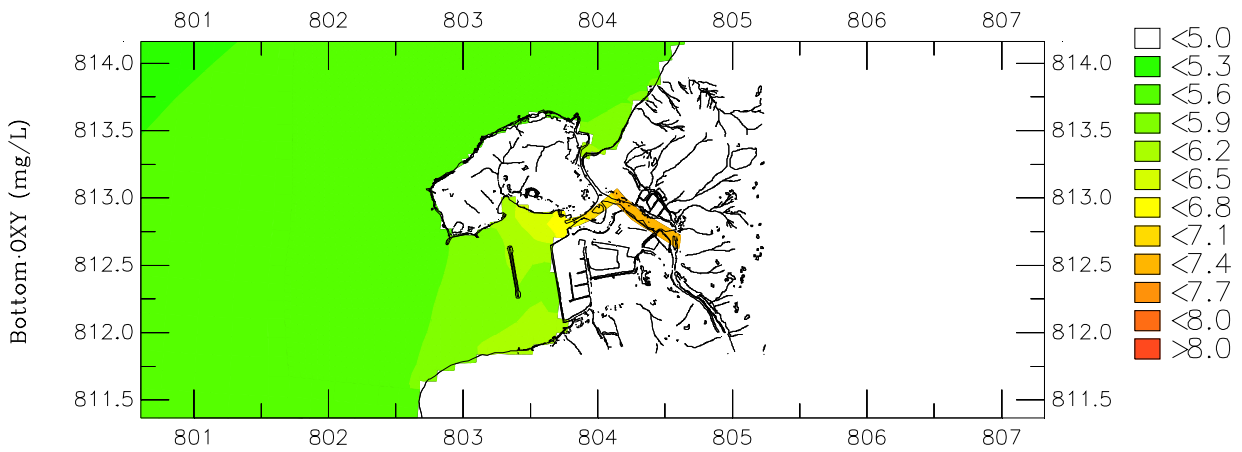

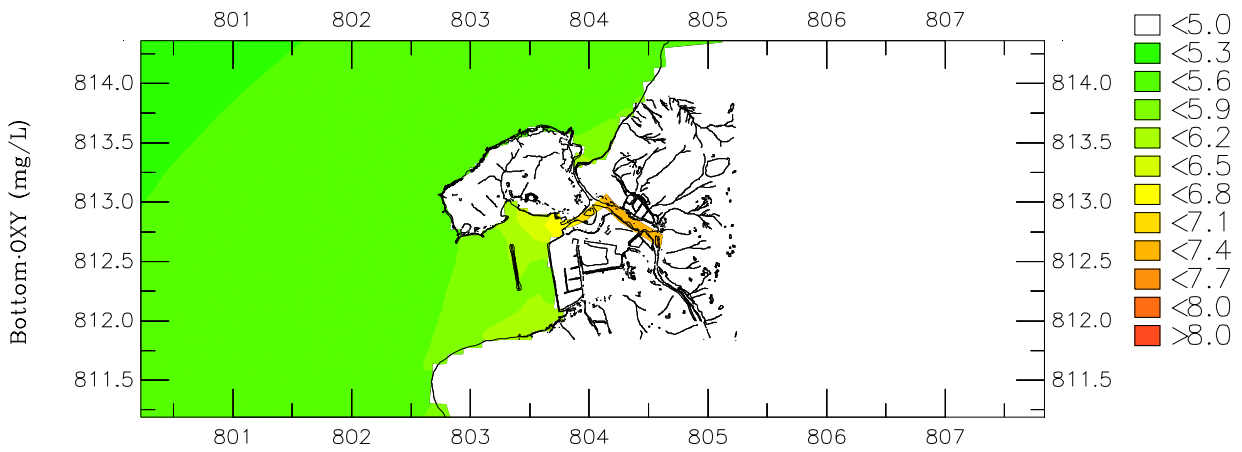

Simulated Depth Averaged Dissolved Oxygen Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Wet Season

Figure 5D-7

DSD & ATKINS

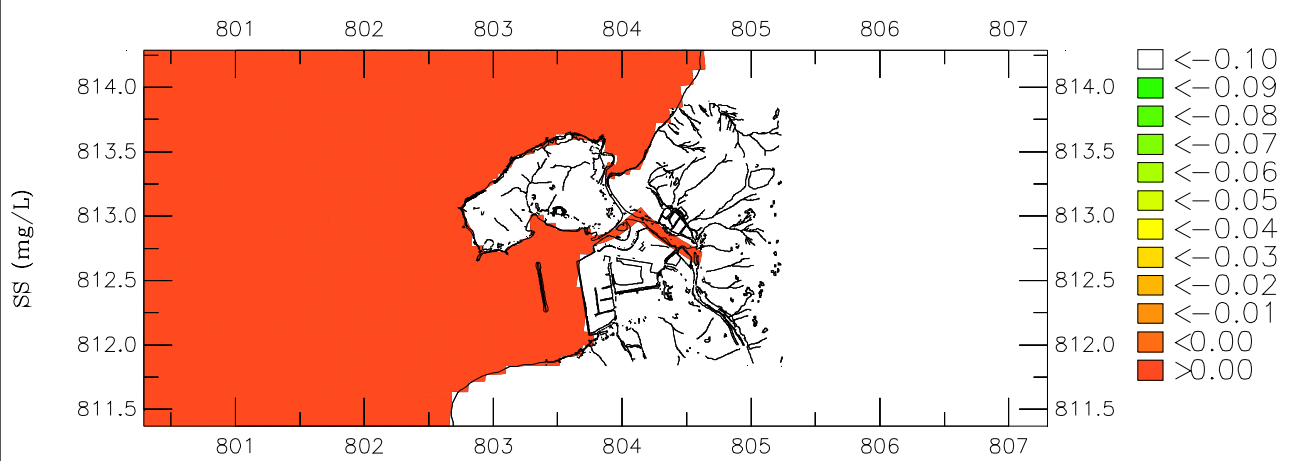

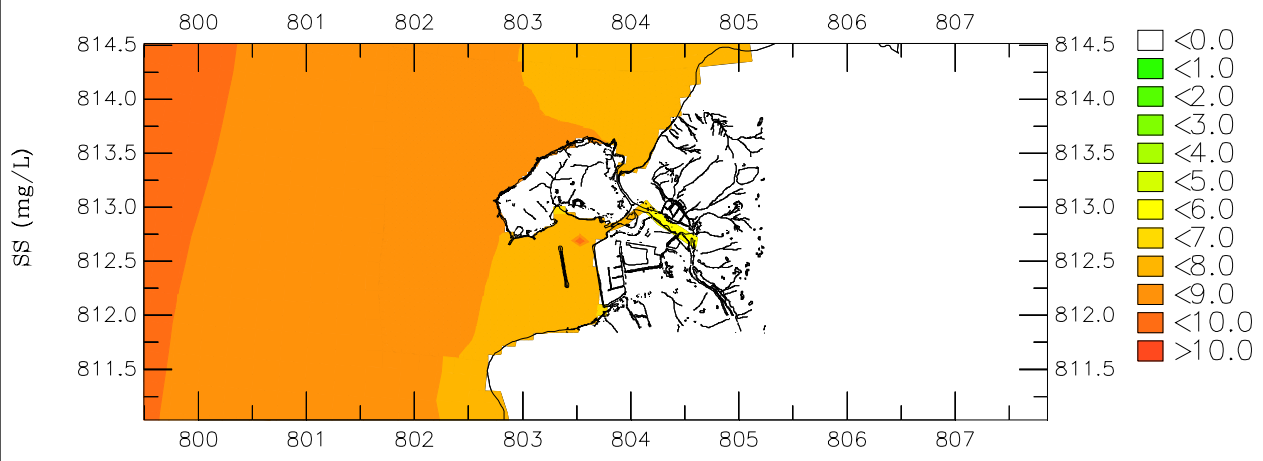

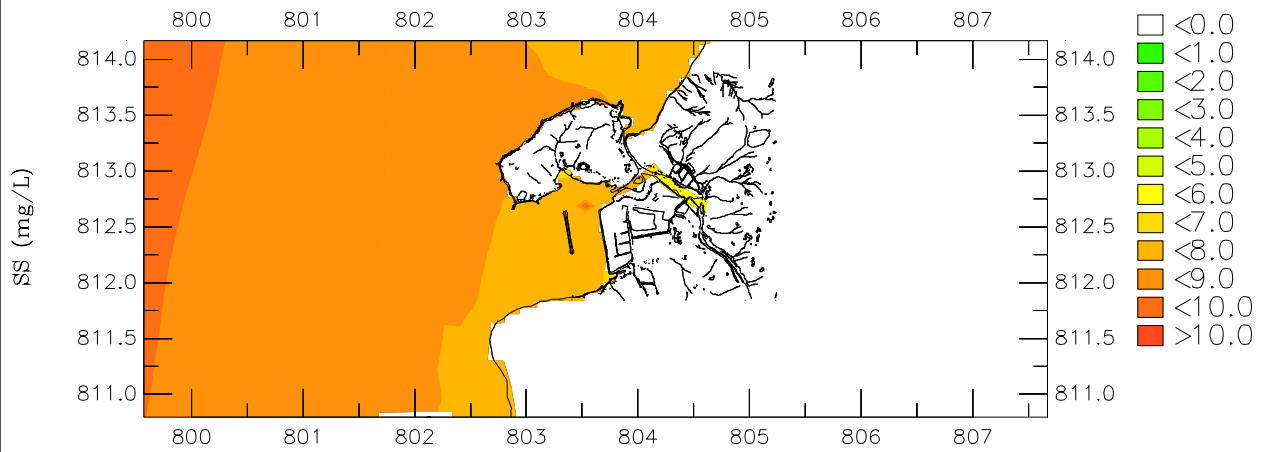

Simulated Bottom Dissolved Oxygen Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Wet Season

Figure 5D-8

DSD & ATKINS

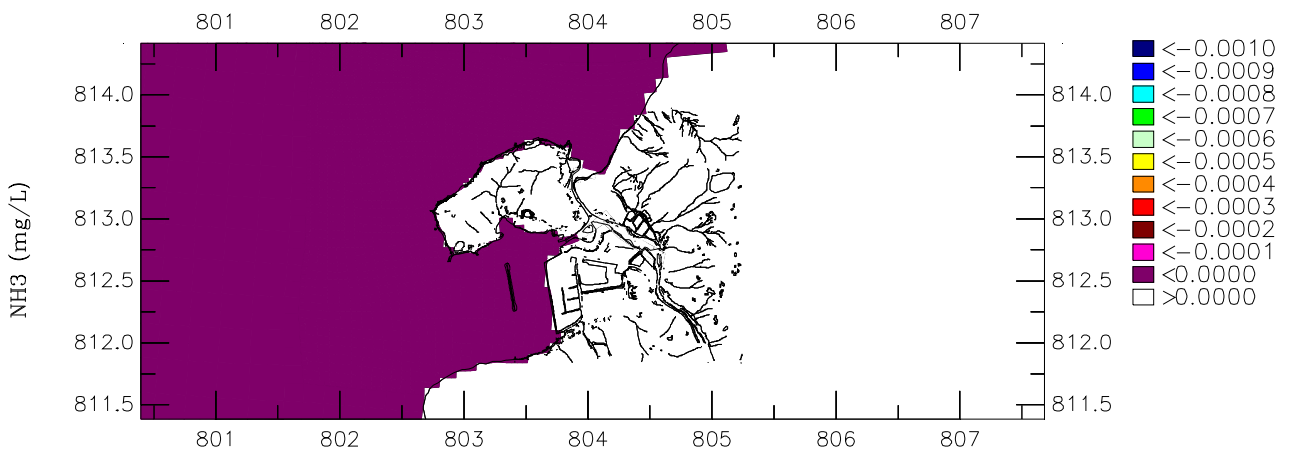

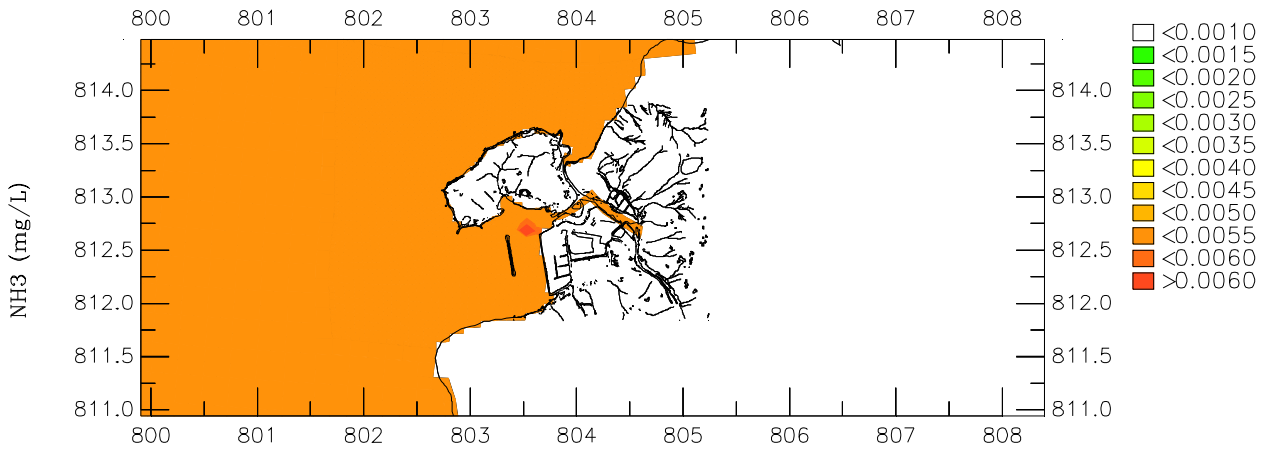

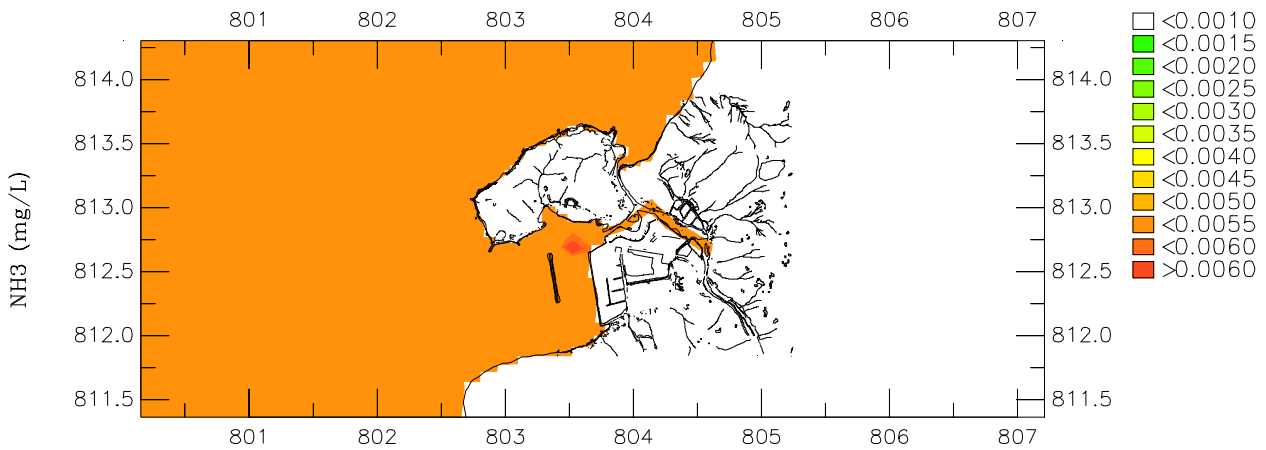

Simulated Depth Averaged Suspended Solids Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Wet Season

Figure 5D-9

DSD & ATKINS

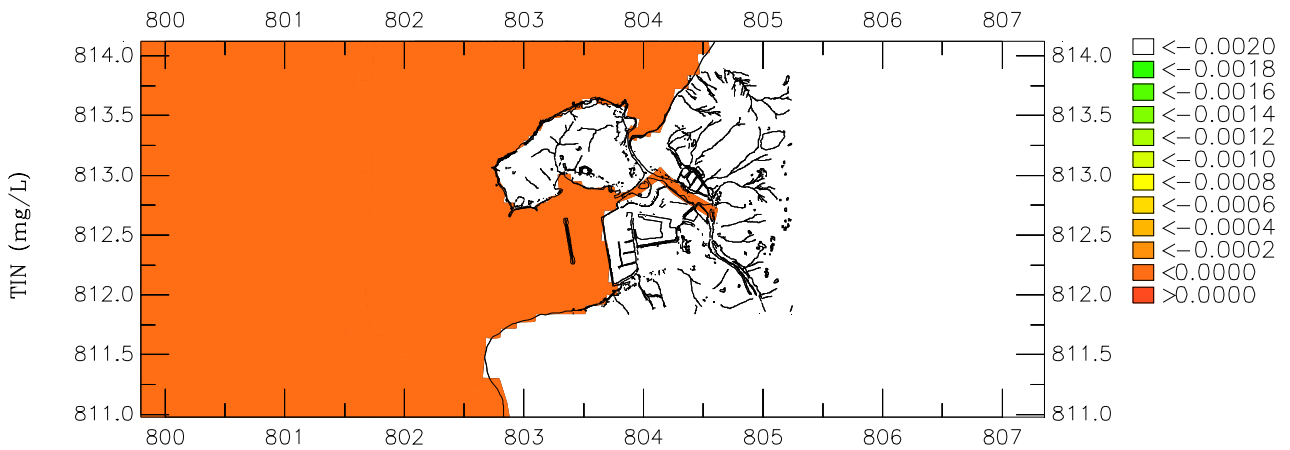

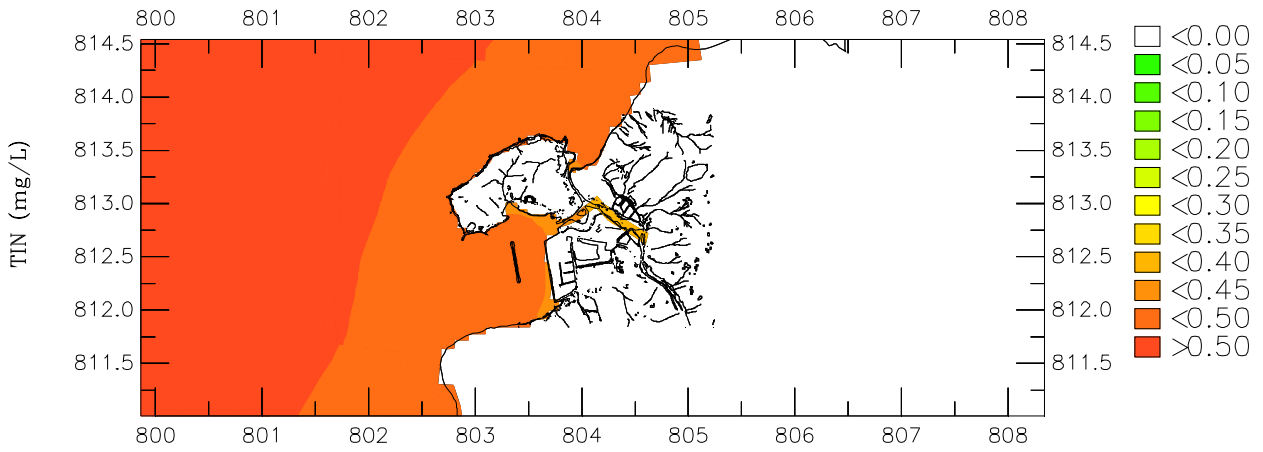

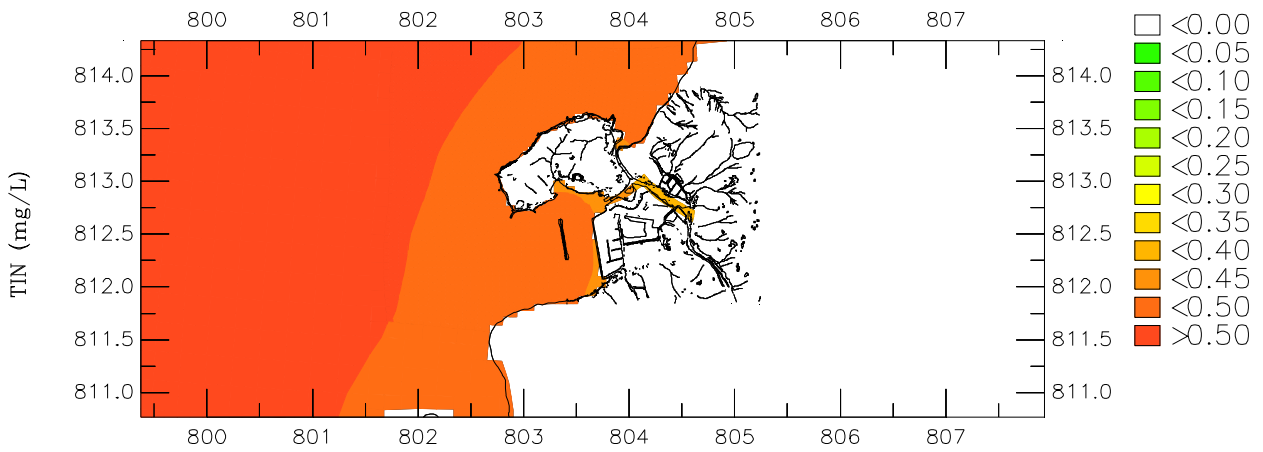

Simulated Depth Averaged NH3 Distribution
Baseline (upper), Normal Condition (middle), Difference between
Baseline and Normal Condition (lower).

Wet Season

Figure 5D-10

DSD & ATKINS

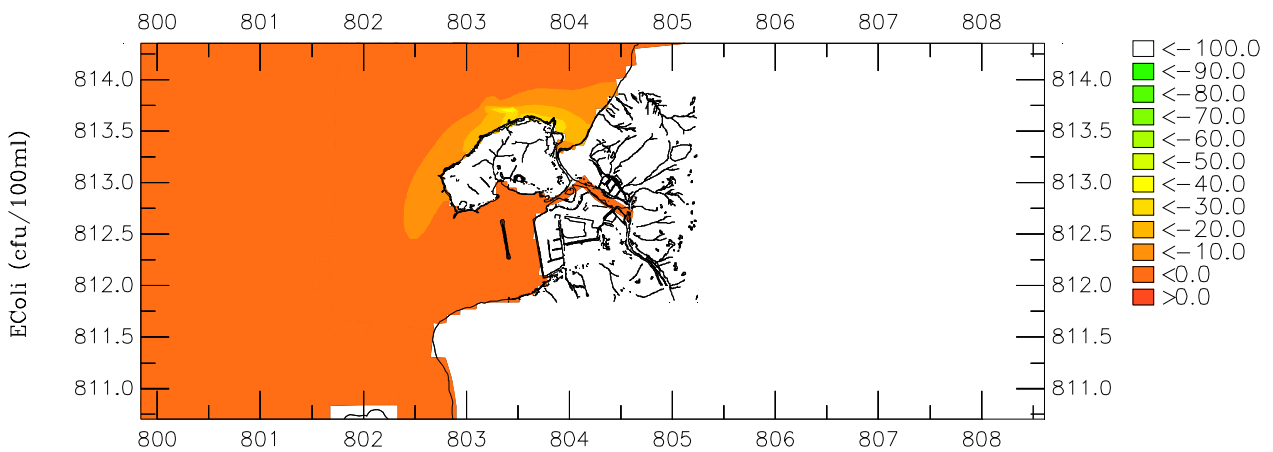

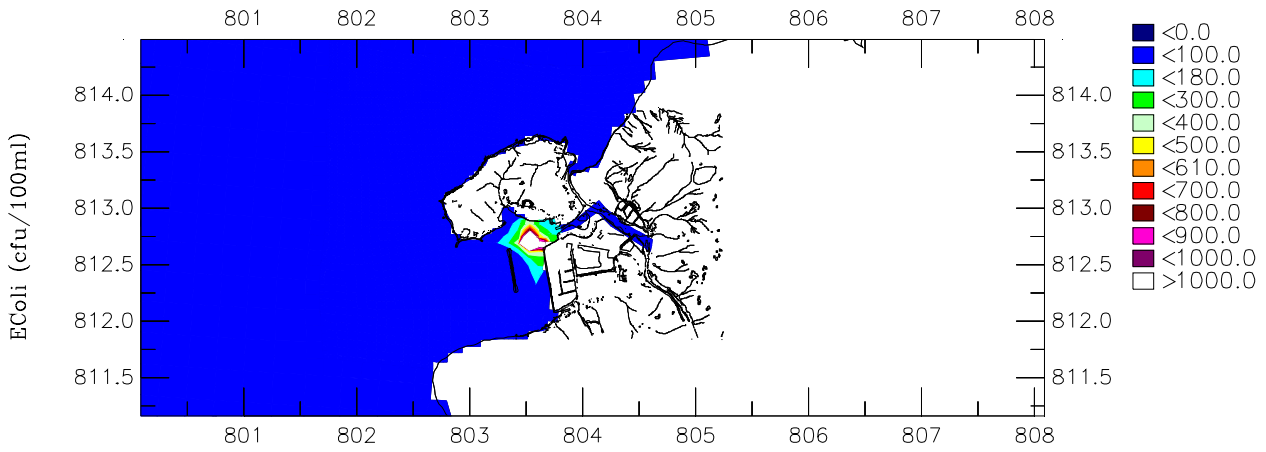

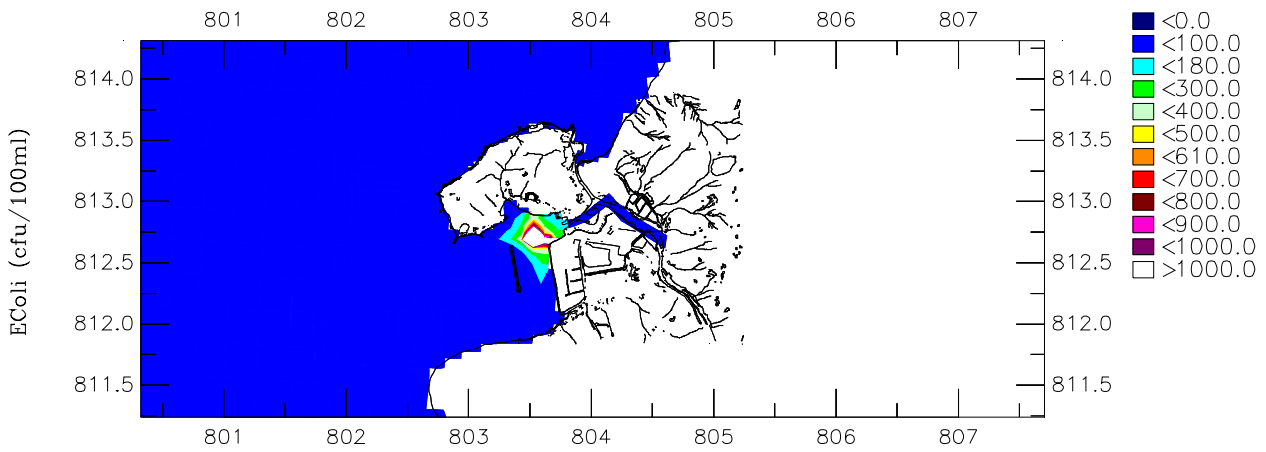

Simulated Depth Averaged TIN Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Wet Season

Figure 5D-11

DSD & ATKINS

Simulated Depth Averaged EColi Distribution
 Baseline (upper), Normal Condition (middle), Difference between
 Baseline and Normal Condition (lower).

Wet Season

Figure 5D-12

DSD & ATKINS
