15 April 2019

Dear Mr. TO,

Environmental Impact Assessment (EIA) Ordinance, Cap. 499
Application for Approval of EIA Report

Project Title: Yuen Long Effluent Polishing Plant
(Application No. EIA-259/2018)

I refer to your above referenced letter dated 12 April 2019 regarding the request for information on the captioned EIA application.

In response to the following request:

“Is there any maintenance dredging at the outfalls during the operation? If affirmative, are there any mitigation measures to avoid adverse water quality and ecological impact?”

Please be informed that there is no maintenance dredging at the outfalls for YLEPP during the operation.

Should you have any queries on the above, please contact the undersigned.

Yours faithfully,

(LEUNG Wing-yuen, Walter)
Chief Engineer/Sewerage Projects
Drainage Services Department
