## Appendix 7.1 Water Quality Monitoring Data Record Sheet

October 2020 Black & Veatch

## Appendix 7.1 Water Quality Monitoring Data Record Sheet

| Monitoring Station               |                     |                  |        |             |
|----------------------------------|---------------------|------------------|--------|-------------|
| Date                             |                     |                  |        |             |
| Start Time (hh:mm)               |                     |                  |        |             |
| Weather Condition                |                     |                  |        |             |
| Condition of Watercourse         |                     |                  |        |             |
| Water Depth (m)                  |                     |                  |        |             |
| Monitoring Depth                 |                     | Surface          | Middle | Bottom      |
| рН                               |                     |                  |        |             |
| Temperature (°C)                 |                     |                  |        |             |
| Turbidity (NTU)                  |                     |                  |        |             |
| DO (mg/l)                        |                     |                  |        |             |
| DO Saturation (%)                |                     |                  |        |             |
| Sample Identification            |                     |                  |        |             |
| Suspended Solids (mg/l)          |                     |                  |        |             |
| Observed Construction Activities | <100m from location |                  |        |             |
|                                  | >100m from location |                  |        |             |
| Remarks / Other Observ           |                     |                  |        |             |
|                                  |                     |                  |        |             |
|                                  |                     | _                |        | ,           |
| !                                | Name & Designation  | <u>Signature</u> |        | <u>Date</u> |
| Recorded by:                     |                     |                  |        |             |
| Checked by:                      |                     |                  |        |             |

## Note:

Laboratory Staff:

1 The suspended solid results are to be entered once they are available from the laboratory.
