Dear Mr. LAU,

Agreement No. CE 15/2018 (WS)
**Relocation of Diamond Hill Fresh Water and Salt Water Service Reservoirs to Caverns –
Investigation, Design and Construction**
(Request for Information – Chemical Waste Producers and Chemical/Incident Records)

I refer to your letter dated 5 March 2020 on the subject matter.

Please be informed that we have nil record of chemical spillage/leakage within the project boundary as shown in the enclosed location plan of your letter. You may wish to check with other relevant parties or departments for the record as appropriate.

As registered chemical waste producers at the location are concerned, a register of chemical waste producers is available for inspection in the Territorial Control Office of this department. If you would like to inspect, please contact Mr. LEUNG Chi-keung, Dennis at 2835 1017 for making appointment to view the records.

While we have made a reasonable effort to ensure the completeness and accuracy of the information provided, you should comprehend that the information is provided as is and the EPD is not responsible or liable for any claim, loss or damage resulting from the use of this information.

Should you have any enquiries, please feel free to contact the undersigned at 2117 7539.

Yours faithfully,

(William Chan)

for Director of Environmental Protection
