Dear Sir,

**Consultancy Agreement No. C1202 -  
Environmental Impact Assessment (EIA) Study for Tung Chung Line Extension**

**Technical Note on Traffic Forecast**

I refer to your captioned letter dated 28 January 2021.

Please note that environmental assessment is not under the purview of this department. I am not in a position to provide comments on the traffic figures tailor-made for environmental assessment. I have no further observation to make from the traffic engineering point of view provided that the traffic data in the report is consistent with the data in "TIA Report (Deliverable No. 1.16)".

Yours faithfully,

(Ms Fanny HUI)
