

## Appendix A Tentative Construction Programme

Activity		2027												2028												2029												2030												2031													
ID	Description	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D		
1	A - Inlet Work + PST																																																														
2	Mobilisation & Excavation	█	█	█	█	█	█	█	█	█	█	█																																																			
3	Piling																																																														
4	Superstructure																																																														
5	Testing and Commissioning																																																														
6	B - Biological Treatment																																																														
7	Mobilisation & Excavation	█	█	█	█	█	█	█	█	█	█	█																																																			
8	Piling																																																														
9	Superstructure																																																														
10	Testing and Commissioning																																																														
11	C - Sludge Treatment 1																																																														
12	Mobilisation & Excavation																																																														
13	Piling																																																														
14	Superstructure																																																														
15	Testing and Commissioning																																																														
16	D - Biogas Pretreatment + CHP Building																																																														
17	Mobilisation & Excavation																																																														
18	Piling																																																														
19	Superstructure																																																														
20	Testing and Commissioning																																																														
21	E - Sludge Treatment 2 + Organic Waste Reception																																																														
22	Demolition (Crushers)	█	█	█	█	█	█	█	█	█	█	█																																																			
23	Demolition (Breakers)																																																														
24	Mobilisation & Excavation																																																														
25	Piling																																																														
26	Superstructure																																																														
27	Testing and Commissioning																																																														
28	F - Roadworks																																																														
29	Roadworks																																																														
30	G - Pipeworks																																																														
31	Pipeworks																																																														
32	H - Admin Building + Workshop																																																														
33	Superstructure																																																														
34	I - Utility Tunnel																																																														
35	Excavation and Lining																																																														
36	Testing and Commissioning																																																														
37	J - Overall Commissioning Test																																																														
38	K - Landscaping																																																														

- Roadworks and Pipeworks
- Utility Tunnel
